This permit, if issued pursuant to the applicant's representation of lot size, location of construction, property lines, etc is subject to change, suspension or revocation if additional information should disclose that the sketch or plan provided hereto is incorrect or inaccurate.

This permit is issued based upon the information provided by the applicant, the conclusion of the building inspector is that the Fryeburg Planning Ordinance has been compiled with, and/or based upon action of the Board of Appeals and the Planning Board, but does not necessarily represent all permits and approvals which may be required such as Department of Environmental Protection, or plumbing permits, or private approvals or permissions such as from subdivision lot owners associations which shall be the responsibility of applicant to procure, failure to procure and abide by all required municipal and state permits shall be grounds for suspensions or revocation of this permit.

In accepting the issuance of this permit, applicants and applicant's agents agree that the building inspector, local plumbing inspector, health officer and other municipal officials may enter the premises during construction, and upon completion of construction at all reasonable hours, without requirement of advance notice or permission, for purposes of inspecting to ensure compliance with the terms of this permit and the Fryeburg Planning Ordinance and the State Plumbing Code.
