

Fryeburg Public Library

Internet Permission Form

2019

5 Things You Should Know about using Library Public Access Computers

1. Computers are filtered, however

- The Internet contains controversial and unsafe material
- It is the parents' responsibility to ensure that their child understands and follows the library's acceptable use policy

2. Computers may be used once per day.

- Computers are available on a first come, first served basis.
- Computers may be used once a day, per person, in one sitting.

3. Computers must be used responsibly.

- Library computers and Internet access may be used for legal and ethical purposes only.
- You may not view sexually graphic material.
- You may not damage or tamper with equipment.

4. Children 6 and under must be accompanied by a parent/ guardian at all times while on the computer

- All children under 17 must have this permission form signed by a parent to use the computers

Warning: Misuse or abuse of computer policies will result in loss of computer access privileges. Charges will be assessed for damages to equipment and for repair
