Dedication

Ed and Diane Jones have always been at the heart of the Town of Fryeburg. Together, they have been instrumental in public service, whether it be serving on the board of selectmen, preserving town history, or a construction project for the townspeople. Their many years of dedication to our town represent the best in public service and have always set an example for others.

Ed and Diane have both served as selectmen for the town, as well as on various boards and committees; tackling issues that were important to the town. Installing new street signs, developing the new transfer station, and clearing the way for historic preservation were only a handful of their accomplishments. Both were very involved in the Fryeburg Historical Society for many years, resulting in a historical museum and research library that is unmatched in the region. Ed and Diane were also involved in constructing the gazebo in Bradley Park, revitalizing the town cemeteries, and participating in the Main Street '90 project led by Maine Governor John McKernan. They were also involved with the Fryeburg Fair working for 27 years as curators in the museum area. Diane has been directly involved with historic preservation in Fryeburg, allowing townspeople to enjoy the rich history that our town has, whether it be exploring the historical society museum, or browsing through thousands of obituaries and family genealogies. Ed also helped build the new Harvest Hills Animal Shelter and the replica of the Fryeburg Horse Railroad which can be seen rolling through town for special events.

The Town of Fryeburg dedicates this year's town report to Ed and Diane and thank them for their many years of service and dedication to our town. Ed passed away on May 13, 2019. Diane continues to reside in Fryeburg, where she continues her interest in local history.

TOWN EMPLOYEES

Administration	
Town Manager/Road Commissioner/ Assesors' Agent	Katie Haley
Town Clerk	Theresa Shaw
Bookkeeper/ Tax Collector/Treasurer	Sharon Chammings
Assistant Bookkeeper/Local Health Officer	Ruth Antonucci
Deputy Clerk/Registrar of Voters/GA Administrator	Kelly Woitko

GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next three years, I will continue to do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

During my first year in office, I directed the implementation of the voter-approved Medicaid expansion, allowing over 40,000 Maine people to gain health care coverage. We added state-guaranteed protections for people with pre-existing conditions, passed a prescription drug reform package, and restored the Maine Drugs for the Elderly and Disabled program, covering an additional 1,800 seniors. And we continue to work on strategies to bring down the cost of health care for small businesses and others. I also signed an Executive Order directing my Administration to develop effective opioid prevention efforts in schools, make Narcan more available, increase medication assisted treatment, train recovery coaches, and expand drug courts.

Protecting Maine's environment and tackling climate change are key priorities of my Administration. I am committed to increasing Maine's Renewable Portfolio Standard to 80 percent by 2030; improving our modes of transportation; weatherizing homes and businesses; and reaching 100 percent renewable energy by 2050. By embracing the green technology of the future, we will reduce the impacts of climate change, create good-paying jobs, preserve clean air and water, and protect our state's farming, fishing, and forestry industries.

The biennial budget provided more revenue sharing, more homestead reimbursements, and more disaster assistance for towns – which all together will result in relief for property taxpayers. It invested \$115 million in education and school renovations, and we are working toward Pre-K for every 4-year-old, increasing post-high school options that result in a valued credential, and making sure that every able adult is working. Further, I, along with government agencies, small business owners, entrepreneurs, economists, and hard-working Mainers, developed a statewide economic development plan, the first in nearly 25 years. We will diversify our economy, empower innovators, and attract young, talented people to live, work, and raise their families here in Maine.

It is time for new, dynamic ideas that will change Maine for the better. I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, healthy people, and prosperous communities.

Thank you,

Janet T. Mills
Governor

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the “Military Widow’s Tax,” an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people’s health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine’s Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation’s premiere biomedical research institution, including significant boosts for Alzheimer’s disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

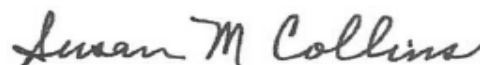

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation’s crumbling infrastructure and ensure that Maine’s housing needs are addressed. For Maine’s roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee’s Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS’ Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

RULES AND ADMINISTRATION

Dear friends,

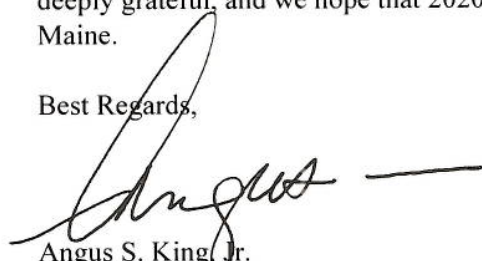

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do to for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,

Angus S. King, Jr.
United States Senator

Committee on Armed Services

Committee on Small Business

Chairman, Subcommittee on Contracting
and Infrastructure

Jared Golden
Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you well. It is an immense honor to serve as your representative in Congress. I take very seriously the responsibility that has been placed on me, and I would like to take this opportunity to share with you some of what I've been working on in my first year in Congress.

At the beginning of this term, the House passed H.R. 1, a comprehensive package of reforms I cosponsored to get big money out of politics and fight corruption in Washington. And in December, I helped pass H.R. 3, the *Lower Drug Costs Now Act*, which would limit out-of-pocket prescription drug costs paid by seniors, fund the expansion of Medicare coverage to include dental, vision, and hearing, and lower prescription drug prices for thousands of Mainers. Additionally, as a member of the House Armed Services Committee, I worked to ensure our annual defense authorization bill supports America's national security and Maine's shipyard workers, National Guardsmen, manufacturers, and universities.

On top of working on this legislation, I have also been advocating for our district directly to administrative agencies. I have been fighting for Maine lobstermen to urge the president to intervene in proposed regulations by the National Oceanic and Atmospheric Administration (NOAA) that would hurt our lobster industry. I pressed government agencies to ground their regulations in sound science and data when crafting new regulations on Maine's lobstermen. I also persuaded the Army Corps of Engineers to hold a public hearing in Maine about the proposed Central Maine Power NECEC transmission line, which gave hundreds of people the opportunity to voice their opinions about the project.

Some of the most important work of members of Congress is rooted in on-the-ground constituent services. We have three offices in the district -- in Caribou, Bangor, and Lewiston -- and my staff work tirelessly to help Mainers solve problems they may face with federal government agencies. I urge you to stop by to talk to us in person and let us know how we can better serve you and your communities.

My favorite part of the job is coming home to the district and hearing about what matters to you. This year, I brought a hearing of the House Small Business Subcommittee on Contracting and Infrastructure to Maine to find ways to expand access to rural broadband. I've also held open town halls and coffee hours throughout the district to hear directly from Mainers veterans, as well as roundtables to find more ways to help small businesses in Maine grow and create jobs.

As always, please continue to reach out to me and my staff if you'd like to voice an opinion, let us know about a local event, or seek any assistance with federal agencies.

Respectfully,

Jared Golden
Member of Congress

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the privilege of serving you in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

Maine is in the midst of one of the greatest periods of prosperity in its history and has led the nation in a number of economic categories over the last several years. Unemployment is at record low levels, wages are up, and state government has had seven straight years of surpluses. The number of children living in poverty is in a steep decline, and Maine now leads the nation in equality for women in the workplace and politics.

Though we have accomplished a great deal in the past year, there is still much more to be done. Maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so that they can thrive as a result of their own hard work, and making sure that government is the most fiscally responsible steward of your tax dollars. These will be a few of my priorities this coming year.

Again, thank you for electing me to serve you in the State Senate. The 129th Legislature certainly has a great deal more work to do; but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at 287-1505 or James.Hamper@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

James M. Hamper
State Senator

January 2020

Town of Fryeburg
16 Lovewell Pond Rd.
Fryeburg, ME 04037

Dear Friends and Neighbors,

I would first like to thank the residents of Fryeburg for giving me the opportunity to serve as your State Representative for House District 70. It is an honor and privilege to serve as your voice in Augusta.

During the last session which concluded in June, the Legislature was able to provide much needed property tax relief measures such as increasing the homestead exemption and revenue sharing. Other accomplishments included the reaffirmation of Maine's health coverage law, a new law that protects those with pre-existing conditions and the ability to keep children on insurance policies until age 26.

The second Legislative session of the 129th Legislature begins in January and it is my belief that we must focus on policies that benefit all of Maine. I'll continue to advocate for an efficient, effective, and affordable state government that cares for our most vulnerable and needy citizens.

In an effort to stay in contact with my constituents, I continue to send weekly updates via e-mail and facebook throughout the year regarding current state news. If you wish to receive these updates, please contact at me
Nathan.Wadsworth@legislature.maine.gov.

Again, thank you for giving me the opportunity to serve you at our State Capitol.

Sincerely,

A handwritten signature in black ink that reads "Nathan J. Wadsworth".

Nathan J. Wadsworth
State Representative

District 70 Brownfield, Fryeburg, Hiram, Lovell (part) and Porter

Town Manager's Report For 2019

Dear Fryeburg Citizens,

As I first sat down to write this Town Managers Report, I had been in the Town Manager position for approximately 7 months. It had been an interesting and exciting few month's as I transitioned from my role as the Assessor/Code Enforcement Officer to the Town Manager. I am very grateful for the support of the Select Board, the Town employees and many Fryeburg residents; it has made the transition enjoyable. There were many upcoming events and small town improvements that I was going to be excited to report about; the Recreation Economy for Rural Communities Planning Workshop, a planned community AARP sponsored document "Shredding Event", the implementation of Paint Care disposal system at the Transfer Station and the new and improved Town Website.

Then we were confronted with a serious pandemic and everything changed. I am hopeful that by the time people read this we are all able to travel about freely and that local businesses are back open to full capacity; however, I am not sure that will be the case. This certainly presented challenges to the Town. From an operations standpoint, a decision was made to close town buildings to the public and stagger our staff so that if there was an illness related to COVID-19, then we could still operate. So many aspects of town government are considered essential and we have a serious responsibility to provide services; keeping roads maintained, sustaining public safety, offering waste disposal and administering General Assistance to name a few. We have now re-opened to the public with precautions in place and it is nice to see people again, even if we are all wearing face masks.

I received many calls from people who were understandably worried about getting their tax payments in by the April 15th due date, especially businesses. While the questions were fair and fathomable, there is little latitude to changing the tax due dates once set. These are set annually by the Town Meeting Vote (Article 41). The dates for lien filing and foreclosures are statutorily set and there is generally no changing those outside of Executive Orders from the State. The Town needs to establish these due dates. We have a responsibility to collect taxes so as to distribute funds to the school and county as well as fund all of the essential town services noted above. The Town is similar to a business in that we need to maintain revenues to operate.

While many municipalities across the country found themselves running short on funds due to the economic ramifications of the pandemic, careful fiscal planning by the Town over the past 10 years has resulted in a sizeable reserve fund that has left Fryeburg fiscally healthy and able to weather downturns in the economy. While the temptation to use those funds can be strong, the Budget Committee, the Select Board, the Department heads and I have taken a steadfast approach to the budgeting process to ensure that this reserve fund remains largely intact.

This year's Annual Town Meeting Warrant is made up of 50 articles for voter consideration. With your approval, this year the Town can continue with the 5-year road plan by completing the final paving of Battleground Road and Lovewell Pond Road, as well as repave Morningside Drive and Meadow Lane. This project is estimated to cost \$266,458. It is proposed to take that allotment from the \$1.9 million Credit Reserve Account so that it will not affect the overall budget.

There is a need to work towards maintaining our town-owned buildings, property and equipment. This was taken into consideration in the budget by adding some capital projects, or in some cases

increasing the specific vehicle budget line item to account for necessary repairs that will allow for increased longevity of that particular vehicle. This is the first step in an effort to work with the Select Board to create a comprehensive capital improvement program.

The Fiscal Year 2021 Town budget has a relatively minor increase of approximately \$16,000 from last year and is lower than FY 2019. I want to thank the Department Heads, the Budget Committee and the Select Board for their hard work to put together this budget.

Currently Town Elections and Meeting is scheduled for July 14th and July 16th respectively. I sincerely hope that we can proceed with those dates but are monitoring the mandates provided by the State and the CDC guidelines to ensure a safe meeting for those in attendance. If the date needs to be changed then every effort will be made to alert the residents of the change in a timely manner, via public notices, the Town website, Facebook and through our local media.

In closing, I want to say that it has been so rewarding to learn more about the ins and outs of each Town Department, Board, and Committee; their respective productivity and enthusiasm is wonderful. Even through these exceptionally tough times it seems that there is a bit of a newfound sense of community and a willingness to work together that I am proud to be a part of. Please feel free to contact me at any point if you have questions or concerns. Stay safe and healthy!

Respectfully Submitted,
Katie Haley

SELECTBOARD REPORT FOR 2019

Every year the town is faced with new, different challenges and this year is no exception. A Manager, Fire Chief/EMA Director, Police Chief, and Captain of Rescue started planning for the worst-case scenario. They followed the CDC and MCDC guidance to prepare for the possibility of a pandemic. So we were as best prepared for this pandemic as we could be. Of course, we are in April as I write this, and the future is quite uncertain. Please follow all directions from the CDC, MCDC, and governor. If you need help in any way, call the town office for assistance.

Some articles for the town warrant we wanted to present will not be brought forward this year as there might not be enough time to hold public hearings. With the uncertain economic times, the budget will be as close to this years while keeping all vital services intact. Some line items will change, but the bottom line will not, with most new projects being held off until next year.

At the beginning of the year, the select board was in the process of finding a new town manager. With the assistance of the Maine Municipal Association, we ran a nationwide search that produced a lot of applicants. They ranged from no experience to well qualified, from just entering the workforce to retired and wanting to return to the workforce. After reviewing all the applicants and interviews, the board, with the selection committee were unanimous in choosing our new town manager Katie Haley. It took the nationwide search for us to realize how lucky we were to have Katie working for the town. It is refreshing to have someone new in the position with new ideas and energy. A big thank you to the staff of the town office and department heads for stepping up to help during the transition period. The first order of business for Katie was to hire a replacement for herself as the Code Enforcement Officer/Appraiser. John Wiesemann was hired to fill the position. He has already received his certifications for code enforcement and is working on the assessor certification.

At Town Meeting, the revaluation of the town was approved and is now ongoing. Of course, like all business, this is being held up due to the virus. As of now, we cannot give a definitive answer when it will be completed. Part of the process is that all taxpayers will receive notice of their valuation. With the notice of the valuation, you will receive instructions on how to have your concerns heard, please follow the instructions.

Road work; good news, and bad news. This year we will be completing the Lovewell Pond road project, that's the good news. However, the Rt 302 project is another story. The latest news we have is the two sections being worked on now are scheduled to be completed by the end of August. The Village Center project is scheduled to be bid in July with a starting date of late September/ early October. The contract will not allow construction during the fair. The completion date is to be the fall of 2021 or spring 2022. So we have a long way to go. The construction is a major inconvenience but has been desperately needed for a decade. To make travel more interesting, the state will be doing a repaving project on Rt 5 north starting at Bog Pond Road this year.

The sale of the Snow School has not been completed yet. Avesta has been working to find grants for this much-needed project. Again this will no doubt be held up due to the virus.

At Town Meeting this year, we will be requesting approval to lease 30 acres of land at the airport for a solar project. If the FAA and town approve this project, the airport will receive rent (FAA requirement), and the town will be taxing the facility, a win-win, in my opinion. As for producing green energy, this reminds me of an old saying, Think globally, act locally.

The board had spent years working with the Historical Society to sell them the Old Town Office for one dollar. After everything was prepared to complete the deal, the Historical Society decided not to go ahead with the deal. So the town was back to square one of what to do with the building. Our librarian, Jennifer Spofford, brought forward a proposal for the library to take over the building. The board gave her the green light to put out an RFP for the costs to repair the building. She has also put forward several options for its

use. At present, grant funding options are being sought for repairing the building, so this is a work in progress.

This year is a terrible year to be a small business owner in Fryeburg. First, we have the RT 302 road construction, year two, and now the mandatory closure of businesses. Please do your part and support these businesses when they reopen or order take-out food. These small businesses are a vital part of what makes Fryeburg so special.

I want to thank our volunteers serving as firefighters, on town boards and committees.

We are lucky to have a small but very dedicated group of citizens serving all of us. If you are interested and would like to get involved, we can always use your help.

Respectfully, Tom Klinepeter

LIBRARY REPORT FOR 2019

Goals

The Fryeburg Public Library staff strive to meet community needs. Our vision is to empower our community through educational, informational, and cultural resources. Our mission is to provide universal access to knowledge and learning through print, electronic resources, cultural, activities, programs, and services.

Community Impact

Our partnership with Lake Region Fryeburg Area Adult Education will continue and we have extended our educational program offerings to include a wide range of educational and professional development programs and technology help. Our Library program offerings will continue to foster a love of learning and literacy in the community. Enrichment and cultural programs offered at the Library will continue to be geared toward local interests. Our Friends group has brought several community- minded programs to the Library which will continue. The Library will continue to provide social opportunities to instill a sense of community and strengthen community connections and partnerships.

Notable Programs and Events

- Children's Summer Reading Program (Libraries Rock!)
- Annual Summer Book Sale- May through September.
- One Book One Valley- Where you'll Find Me, book discussion event in October.
- Won a first place ribbon for our library's Fryeburg Fair Display themed Super Patrons!
- Annual Holiday Open House.
- Weekly Story Time- Tuesdays.
- Day Care Story Time- Every other Wednesday.
- AARP's Free Tax Preparation-February through April.
- Seniors Plus- Offered Medicare advisement the first Wednesday of each month.
- Lake Region and Fryeburg Area Adult Ed. continue to meet students several times each month.
- Technology Help-Offered monthly.

- Children's Craft/Literacy Activities-Offered monthly.
- Adult Enrichment Programs-Offered monthly.
- Molly Ockett First through Third grade visit and scavenger hunt

In Conclusion

Over the past year, Fryeburg Public Library has accepted over \$10,000 in grant funds, which endowed us with new Chromebooks, age-friendly technology assistance, professional development programs, and social enrichment programs. FPL will continue to focus on the betterment of the community and community partnerships. We look forward to serving the residents of Fryeburg, Maine for years to come.

Our library hours are Monday, Wednesday, and Thursday 9-4. Tuesday 12-6, and Saturday 9-12. We offer free WIFI, Inter-library loans, two public computers, five Chromebooks, phone and tablet charging station, copying, printing, and faxing services. Meeting rooms available through reservation or on a first come first serve basis.

Jennifer Spofford
Librarian

RECREATION DEPARTMENT REPORT FOR 2019

2019-20 saw a lot of changes in the Recreation Dept. We have moved into our new building, The David & Doris Hastings Community Center. This has opened the doors to new and exciting offerings. At this moment we have new programs like open gym Mon-Weds-Fri mornings for people to come to walk and exercise. Twice a week we offer Pickle ball in our new facility, Monday afternoons we have a group playing cards in our upstairs mezzanine area, and Monday mornings there is a group playing pool in our Teen Center. Weekday nights we have adult pick-up basketball with women on Tuesdays and men on Thursdays. The volleyball pick up night is on Wednesday evenings.

On the horizon for new programs is hopefully an after school teen center program, adult fitness and yoga classes and much more. The facility also allows us to now host larger events and tournaments which brings a huge boost to the local economy. For example, UNH did an economic impact study for the area during a big softball tournament last summer and it showed that over \$600,000 dollars were spent that weekend in the valley. The plan is to host many more events like this and that, in turn, will help local businesses thrive.

As always a big thank you goes out to the community and the support that has been given to us via donations, volunteers, etc. It is amazing to think of what has been accomplished here by this small town via hard work. Thanks to the Recreation 501c3 committee for their continued hard work in fundraising that allows us to run a successful program without putting a huge burden on the taxpayers of Fryeburg. As always a big thanks to William Jordan and Jimmy Oliver for the hard work they put in making our location the best in the State.

I look forward to serving the Town of Fryeburg in the future and hope to continue the good work of so many that have come before me.

Respectfully,
Rick Buzzell
Recreation Director

REGISTRAR OF VOTERS REPORT FOR 2019

The Registrar of Voters participates in the following from July 1, 2018 through June 30, 2019:

09/27/2018 - Special Town Meeting

11/6/2018 - State Wide Referendum and Municipal Election

05/22/2019 - General, Municipal - M.S.A.D. 72 School

06/11/2019 - State Wide Primary and Referendum, Municipal Election

06/12/2019 - Town Meeting- Business Portion

The current registered voters as of June 30, 2018 are broken down as follows:

Democrats- 735

Republicans- 811

Green- 157

Unenrolled- 1143

Total Registered Voters: 2868

All residents who have not registered to vote are encouraged to stop by the Town Office and request a voter registration Card. Current registered voters may stop by to update their voter card. This includes address changes, name changes, party changes etc.

Respectfully Submitted,

Kelly Woitko

Fryeburg Rescue Town Report for 2019

To the citizens of Fryeburg, Brownfield, Lovell, Stow, and Chatham

First and foremost I want to thank all of the citizens of the Towns we cover for your continued support of Fryeburg Rescue. We could not do our job as well as we do without it. We appreciate your feedback and are constantly evaluating and refining our service to suit the changing needs of the communities we serve.

We have a “new” unit 504; this was formerly our “crash truck”. The new truck is better equipped to serve our needs with its primary mission as a wilderness extrication support vehicle
Please feel free to stop by and look at this vehicle.

We will be replacing 503 this summer as it is 14 years old and approaching its service limits. Much time and effort was spent to ensure the replacement unit will meet our needs well into the future, maximizing its value and investment.

We responded to 915 calls for our service in 2019. The breakdown was as follows: 544 calls in Fryeburg, 183 in Brownfield, 115 in Lovell, 27 in Chatham, 23 in Stow and mutual aid to other Towns and services 23.

Our Rescue Station is physically staffed from 6:00 A.M. through 6:00 P.M., 7 days a week with a minimum of 2 people available for all responses. At night we schedule 2 or 3 staff on- call. (We strive to position 1 person in Fryeburg, 1 in Brownfield and 1 in Lovell.)

For clarification, our budget to the Towns covers only the cost of our operations; including items such as fuel, medical supplies, building maintenance, and utilities, Up until now our payroll and all associated expenses were covered by the revenues we received from billing but, unfortunately, as costs – including the state mandated wage increase and associated employee expenses - continue to rise, our budget is being stretched ever tighter.

The total cost to operate Fryeburg Rescue for 2019 was \$418,000.00+-.

We continue to offer community outreach programs including CPR and AED placements and we are in the process of reinvigorating our Junior Rescue program as well. We are always looking for people who would like to join our organization. EMS is an excellent way for you to serve your community, while learning some very valuable skills. Applications are available in our Rescue station, please stop by to inquire or apply.

The Fryeburg Rescue EMS officers for the 2019 calendar year were the following:

Chief, Stephen Goldsmith
Deputy Chief, Eric Meltzer
Assistant Deputy Chief Roberta Lord

The Board of Directors for the 2020 Calendar Year Are:

President, Eric Meltzer
Vice President, Penny Parmenter
Treasurer, Bob Ramsay

Other Board Members include, Julie Ontengco, Joann Sparks, Pam Douglass and Bill Kane

If you have any questions or concerns about Rescue please feel free to contact me.
Thank you again for all of your support.

Respectfully Submitted by,
Stephen Goldsmith, Chief of Fryeburg Rescue 2017
Ghse@fairpoint.net 925-2572(home) or 935-3024 (station)

POLICE DEPARTMENT REPORT FOR 2019

To the citizens of Fryeburg,

It is with great honor that I present to you the 2019 report on behalf of your Fryeburg Police Department. Personnel and operational modifications were made during 2019 in support of our overall mission to promote a safer environment and raise the quality of life for the citizens of Fryeburg and those visiting our community. As your Chief, I am committed to continuously improving services we provide and our level of professionalism through transparent, accountable, and modern police practices. Fryeburg Officers work cooperatively with our public safety partners and fellow law enforcement agencies to provide you with the best possible police service. In 2019, Fryeburg Police Department was comprised of 6 fulltime officers and 10 reserve officers. We handled 6,397 calls for service in 2019 and handled/assisted in 36 calls for the Oxford County Sheriff's Office.

As part of our ongoing commitment to fostering a healthy and positive relationship with our youth, we have continued with our KIDZ-TIX program. KIDZ-TIX is a rewards based program which is funded by our partners in the Fryeburg Business Association which provides Officers with a unique opportunity to have a positive interaction with the children in our community. When officers observe safe or kind behavior of a child they will issue a rewards citation, positively rewarding them for their safe or kind behaviors. These rewards consist of ice cream, pizza, cupcakes, flowers, and several other products sponsored by our local businesses.

This year we expanded community service programs to include "stuff-a-cruiser." This special event, allowed community members to team up with officers and collect donated toys which were provided to less fortunate families during the holiday season.

In an attempt to spread domestic violence awareness we have purple Fryeburg Police 'No Excuse' ribbons as seen on our cruisers available to the public by donation. Stickers \$10/ Magnets \$15. If you or a loved one is a victim of domestic abuse please do not hesitate in reporting.

We are continuing to provide citizens with a 'Wandering People Program'. This program serves individuals with Alzheimer's, Autism, Dementia, Downs Syndrome, and other conditions that can make them prone to wander. Participation in this program is free, confidential and ensures the following:

- Photos of the individual allowing Fryeburg Officers to more easily identify your loved ones if they get lost
- Saves valuable time when seconds count
- Alerts officers to potential triggers and ways to calm the individual
- Enables family members or caregivers to be notified promptly when the person has been found.

Contact Fryeburg Police Department for registration information.

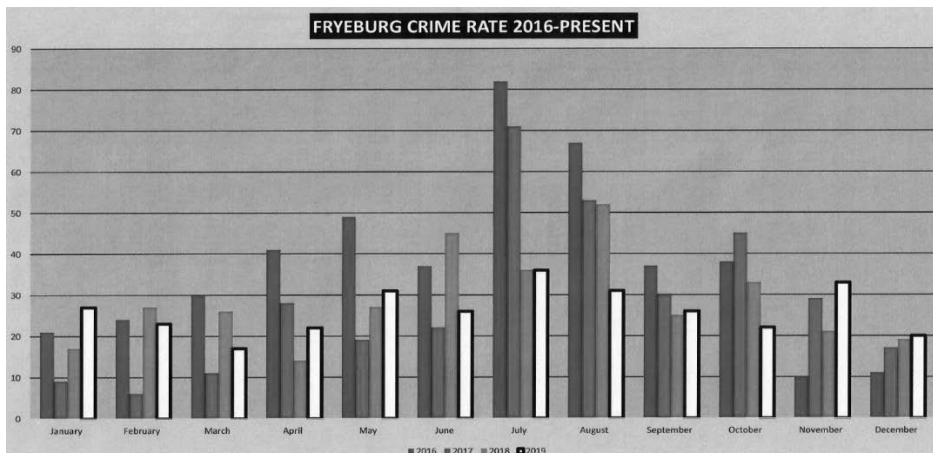

We are committed to fighting the war on illegal drugs and have partnered with community outreach programs such as Project Save ME to address increasing heroin/opiate concerns. Officers are trained to recognize the symptoms of a person suffering from an opioid overdose and have received specialized training courtesy of The Kane Schools. All officers carry the life-saving medication Naloxone (Narcan).

Please visit our Facebook page (<https://www.facebook.com/FryeburgPD/>) or our website (<http://www.fryeburgmaine.org/town-departments/police>) for the latest news and information. Most all of our forms can be downloaded and submitted online for your convenience. Feel free to browse our sites to find out the latest news reports, personnel changes, or links to other agencies.

In closing, although we face many challenges, I am very optimistic that we can continue to reduce crime over the long-term. With the proper personnel and effective policing strategies which allow us to be in the

right places at the right times, our future of working together can produce results that we can all take pride in. It is imperative for all members of the community to be involved. I ask that you look out for your neighbors and call 9-1-1 when you see something that is not right. I want to thank the officers of the Fryeburg Police Department for their continued dedication, service and commitment to the citizens of Fryeburg. We will continue to be transparent through our media partners, accountable for our own actions, and provide quality police services you can be proud of.

Respectfully Submitted,
 Joshua J. Potvin
 Chief of Police

CODE ENFORCEMENT OFFICER REPORT FOR 2019

To the citizens of the Town of Fryeburg:

I would like to introduce myself as the new Town of Fryeburg Code Enforcement Officer as of October 28, 2019. My previous experience includes twenty years working for a local surveying and engineering company, and I recently acquired my Plumbing Inspection license and the various Code Enforcement endorsements required by the State. As a native to the area and graduate of Fryeburg Academy, I am devoted to the Fryeburg community, and consider it an honor to be able to serve in this capacity.

Between January 1 and December 31, 2019, the Town of Fryeburg issued 76 Plumbing permits, 78 Building permits and issued a few violations. The Fryeburg Academy Dining hall was issued an Occupancy permit and the Fryeburg Rec Building will soon be open for events. It's been a pleasure to inspect these two beautiful buildings.

Changes to the State Law regarding adult-use recreational marijuana has kept me very busy with inquiries about opening cultivation and retail stores. The State started accepting applications as of December 5, 2019. It is still illegal to take part in the adult-use recreational marijuana business (either cultivation or retail) as of this writing but this could change in the future.

The Planning Board and I are in the process of changing the zoning map to make Fryeburg more business-friendly for both small and large businesses. We hope to attract companies to our area, and to see Fryeburg flourish as it did in the earlier years with many manufacturing jobs.

Fryeburg was selected to receive a substantial grant from the Federal Government to increase our outdoor recreation opportunities. We will be assisted by Southern Maine Planning and Development Commission to help us plan and get the most out of this great opportunity. This will be another great tool to make Fryeburg a desirable destination for all types of recreation.

Thank you for your patience with me as I become accustomed to my new role as the Licensed Plumbing Inspector and Code Enforcement Officer for the Town of Fryeburg.

As always, please feel free to contact me at any time if you have questions, concerns or comments.

Respectfully submitted,
John Wiesemann
Code Enforcement Officer & Local Plumbing Inspector

2019 ANNUAL REPORT FOR THE FRYEBURG FIRE DEPARTMENT, FRYEBURG EMERGENCY MANAGEMENT, AND TOWN FIRE WARDEN FOR 2019

I am pleased to submit the annual report for the Fryeburg Fire Department, Fryeburg Emergency Management, and Town Fire Warden for calendar year 2019.

The Department

The Fryeburg Fire Department consists of two stations with Fire Headquarters being located at 520 Main Street. This station is where the Fire Chief has his office and houses 2 engines, 1 tanker, 1 mini pumper, and a squad truck. Fire Headquarters is also where our Emergency Operations Center and training classroom is located. The East Fryeburg Station is at 16 Denmark Road in East Fryeburg and houses 1 engine and 1 forestry truck. There are currently 27 members, and a Ladies Auxiliary with 6 members. We work seamlessly beside our mutual partners throughout Oxford County, Cumberland County, and Carroll County, New Hampshire through written mutual aid agreements.

Our Mission

Our mission is to deliver quality, high level service to the citizens of Fryeburg. We seek to advance the professional growth of our membership and support our member's families. We strive to protect lives, minimize the loss of property, and promote the effective control of hazardous emergencies through seamless work with our public safety partners.

Calls for Service

The Fire Department responded to a total of 218 incidents (calls for service) in calendar year 2019, a decrease of 18 incidents from 2018 (↓9.2% from 2018). The members also attend regular training and meetings as part of ongoing professional development to meet professional qualification standards per NFPA 1001 and Maine Bureau of Labor Standards. Firefighters regularly maintain equipment and conduct performance checks to ensure a constant state of readiness for all apparatus and equipment. The Chief has many day-to-day responsibilities including ensuring the department is staffed with adequately trained personnel and properly maintained equipment to perform any emergency response function to protect the community.

Burn Permits and Inspections

The Fire Department issued 203 permits for open air burning of brush and agricultural vegetation control in 2019. Permits can be obtained online at <https://www13.informe.org/burnpermit/public/index.html> or in person from the Fire Chief during normal business hours at Fire Headquarters. Deputy Fire Wardens who can issue permits are Eric Meltzer, George Walker, and Gay Kiesman. You can go to the Maine Forestry Service website for a complete list of regulations and information regarding open air burning. There are inspections conducted by the Fire Chief to ensure the safety of the public at buildings, schools, and large venues such as the Fryeburg Fair. The department also inspects the display of fireworks at commercial events such as the Fourth of July Celebration and Fryeburg Fair. As necessary, inspections of burn permit sites and materials may be completed at the discretion of the Fire Chief or his designee. The Fire Chief works side-by-side with the Fryeburg Code Enforcement Officer on any fire or life safety issues.

Fire Prevention & Public Safety Education

The members of the Fryeburg Fire Department work to increase the contact with the public to share public education programs with both adults and children. We have made presentations to groups such as the Rotary Club, Boy Scouts, Fryeburg Fair, Pre School teachers, Senior Groups and others on topics such as fire safety, fire extinguishers, smoke detectors, carbon monoxide detectors and home safety to name a few. We continue to interact with the public through open house events at the fire stations, visits by the general public, and children's groups. The fire department partners with staff at our local pre-school for fire safety education and through community outreach to our seniors. We hope grant funding will allow us to expand these valuable fire prevention outreach initiatives in our local schools and pre-schools.

Notifications and Preparedness

The Fryeburg Fire Department works closely with our public safety partners here in Fryeburg. Stay informed of emergency information by tuning to a local radio station, check our website at www.fryeburgmaine.org/firedepartment for alerts, or our Facebook Page. For more information about personal and family preparedness please visit www.ready.gov.

Grants

The Fryeburg Fire Department strives to find creative funding solutions for projects and capital expenditures through grant opportunities, both public and private.

As one example in 2019, the Fryeburg Fire Department received \$838.00 through the FFY 2018 Volunteer Fire Assistance for dry fire hydrant supplies for the Kimball Brook Bridge / Culvert project. A “Thank You” to Maine DOT for having their contractor install the dry fire hydrant during the course of the construction activities at the site thus saving the Town on installation costs.

The process for the grant programs applied to are competitive and require a significant investment of time and effort to collect the relevant data, compile the necessary documentation, and submit the application package. These grant programs allow the Fryeburg Fire Department to decrease the impact our citizen’s tax rate, while completing essential fire protection projects. The Fryeburg Fire Department appreciates the grant opportunities available and will continue to participate in these competitive processes.

Emergency Management

The Fire Chief is also the designated Emergency Management Director and the Deputy Fire Chief (Chet Charette) is the designated Assistant Emergency Management Director. We both work closely with Oxford County Emergency Management Agency to plan for natural disasters and extraordinary events where the citizens of Fryeburg might need assistance. We continue to update our Emergency Preparedness Plan and strive to have the contingencies in place to be prepared for the unexpected, whether it be a winter storm or any other disaster.

We spend time each year training and planning with Oxford County Emergency Management Agency and the American Red Cross to help provide a seamless interaction between Fryeburg and County resources. The department was pleased to partner with the American Red Cross in 2019 to host a location for the Regional Shelter Trailer. The Red Cross owns and supplies the trailer stocked with a multitude of supplies to operate and emergency shelter, and the Fryeburg Fire Department maintains inventory and assists with relocation to have the supplies at the ready when needed. This is one of many Red Cross Shelter Trailers located throughout Maine available to our citizens during an emergency event. If you are displaced from your home due to an emergency condition or natural disaster and need emergency housing please contact the Fire Chief or Deputy Fire Chief. We can help you with many services through the American Red Cross. The Fire Chief and Deputy Fire Chief also manage our local emergency shelter in Fryeburg if needed. If you require assistance please call the Fryeburg Fire Department business number at (207)935-2615 or the Oxford County Regional Communications Center at (800)733-1421. For any emergency please call 9-1-1.

In Closing

Thank you to the citizens of Fryeburg for your heartfelt support for the men and women who make up the Fryeburg Fire Department and Ladies Auxiliary. The members of the Fryeburg Fire Department respond in all extremes of weather and times of day. We are fortunate to have the many dedicated members who serve our community respond quickly and work hard to skillfully mitigate fires and other hazards. I am lucky to have the opportunity to serve with such a dedicated and hard-working group of public safety professionals.

The department was excited to fill the second Deputy Fire Chief position that has been vacant. After a fair and competitive process the department was pleased to see George Walker earn the promotion to Deputy Fire Chief. He will be working side-by-side with the fire officers to fill the role as incident commander as needed in the absence of the Fire Chief. We are also happy to report that Firefighter Rob Deschambeault has been named Training Officer. Firefighter Deschambeault brings many years of technical expertise and training experience to this role.

As we work through the next year, we continue to strive to lower the towns Insurance Service Office

Rating (ISO), reduce response time, and improve the departments capabilities with aggressive training programs. We seek to increase fire safety in our community through fire prevention outreach programs and education. Please feel welcome to visit the fire station if you see us at 520 Main Street. We need new members, if you would like more information about joining the Fryeburg Fire Department stop in and speak to the Fire Chief or email to fryefire@fryeburgmaine.org . Stay safe in 2020.

Respectfully Submitted,
Andrew S. Dufresne, Fire Chief/ Emergency Management Director

ASSESSORS' REPORT FOR 2019

To the Citizens of the Town of Fryeburg:

I have summarized some pertinent information related to taxes and assessing below for your information:

2019 Property Tax Rate: \$16.80, Interest Rate: 9%, Certified Ratio: 110%

Veteran's exemptions granted: 93

Parcels classified as Tree Growth: 176

Parcels classified as Farmland & Open Space: 92

Please feel free to contact me at any time if you have questions, concerns, or comments.

Respectfully submitted,
John Wiesemann- Asst. Assessors' Agent

PUBLIC WORKS REPORT FOR 2019

To the Citizens of Fryeburg:

2019 has been another busy year for the Highway Department and the Transfer Station. This year we worked on Leach Road, where we installed a catch basin and culverts, ditched both sides of the road, installed rip rap where needed, and paved driveway entries as needed. Wicks Road was also worked on; a 150 ft section of pavement was removed, then gravel was added and the road prepared for paving in the future. Several dirt roads were graded and gravel added as necessary.

Various repairs were made to the sidewalks throughout town. This work will continue to assure they are safe for pedestrians to utilize.

The maintenance of the parks and cemeteries has also been on going to keep them up to standards.

The Highway crew has continued industriously to maintain the various vehicles/equipment used to ensure the department functions in a viable and safe manner.

Paint Care was introduced at the Transfer Station to save contamination of containers, this now makes it possible for the citizens of Fryeburg to dispose of paint year-round instead of one day out of the year.

We started the winter season with three new employees, two full time and one part-time. The two full-time employees are year-round. The part-time employee has been running the sidewalk machine that was purchased in 2019 which has been a great asset and is working out well.

The Plan for 2020 is to finish Wicks Road, install catch basins on Pine Street, install culverts on Hemlock Bridge Road, and add catch basins at the Transfer Station.

The 302 Road project will continue into 2020. This has been a challenge for both businesses and citizens, but once again when it is completed it will be a great improvement for Fryeburg and will fit into all the other improvements the town has planned.

Respectfully Submitted, Ira Ela-Public Works Director

BRADLEY MEMORIAL PARK COMMITTEE REPORT FOR 2019

2019 saw Bradley Park used by many people. Also this year, valued Park Committee member Webster Fox died. He was a good friend to all of us. Ralph Smith will take Webster Fox's place on the Park Committee. Welcome Ralph.

2020 is the one hundred-year anniversary of the gift of the park to the town. In 1920 Mrs. Minnie Bradley Mattson gave the land known as Pine Hill and to be named Bradley Park to the town. It was to honor all service members served in all wars. She also wanted to commemorate the original location of Fryeburg Academy near the easterly corner of the park. Our thanks to Town Manager Katie Haley and the town's crew for keeping the park looking so nice all year long.

Many thanks to committee members Cathy Trumbull-Secretary, Richard Andrews III, David Smith, Kristen McDermott, Stephanie Hastings, Brenda Thibodeau, Barbara Lawrence, Jonathan Spak and Ralph Smith.

Respectfully Submitted,
George Weston, Chairman

CONSERVATION COMMITTEE REPORT FOR 2019

Allison Leach (President)
Abby King (Vice President)
Sherri Billings (Secretary/Treasurer)
Steve Caffrey
Nels Liljedahl

We began our 3rd year with strong momentum from continuing project successes. As a committee we continue to seat members who are committed to stewardship of our town-owned lands. We scrutinized, revised, and with the Select Board's approval adopted the following mission statement.

The Mission of the Fryeburg Conservation Committee is to restore, protect, and improve public access to Fryeburg's publicly owned spaces by working with town departments, boards, and committees, and by enlisting volunteers. Through cooperation with landowners, we hope to encourage these same goals on private property. We work to create opportunities for all citizens to learn about and enjoy our natural resources.

Furthermore, we committed to interacting with the other town boards by attending meetings and participating in town business. To make an impact towards our stated mission, we have focused on the following projects and initiatives.

Fryeburg Town Forest Trail

The Fryeburg Conservation Committee hired Matt Coughlan of RECON Trail Designs to design and flag out a trail in our forest. He did a great job! Wet areas of the property were avoided as much as possible and the one mile loop traverses a variety of vegetative stand types, as well as a stretch overlooking the Saco River. Most of the tree cutting will be sapling size. A wooden bridge will be needed to cross a small stream, as well as a boardwalk through a wetland. There are some granite slabs, which will be used to reinstall a stone culvert. A small picnic area will be created overlooking a stream. \$750 of town money was matched with a \$750 grant from New England Grassroots Environmental Fund to finance the professional services of RECON. Future grants, volunteers and matching town funds are being solicited for the installation of the trail.

Chestnut Tree Restoration

The Fryeburg Conservation Committee accepted twenty B3F3 chestnut seedlings that had been evaluated and selected after 6 generations of back breeding for blight resistance by the Maine Chapter of The American Chestnut Foundation. We have planted the seedlings in a nursery bed under committee member care and will be replanting them on town land after they have grown to a sturdier age. We have designed a scientific experiment based on the mulching material and will be reporting back to the ACF for their database. We consider Fryeburg to have the perfect habitat for restoring this rare but formally dominant species, because within our township lives a wild chestnut tree that somehow survives the devastating blight.

Pollinator Planting

This past year we embarked on at least two different projects to increase native pollinator plant species in town. These plants help important birds, bees, and insects thrive and furthermore bring benefits to outlying gardens and croplands. We established pollinator plants at 3 town-entry point signs and in front of the library. We reached out to the Maine Department of Transportation about seeding our post-construction roadside with wildflowers along Route 302, and are currently researching species recommendations based on soil types to forward to the DOT landscape architect.

Community Events

1. Erika Rowland, representing the Upper Saco Valley Land Trust gave an informative talk about conservation easements. It was well attended and well received. She offered townspeople information about how conserved land is managed, as well as the steps to putting private and public land under conservation easement contracts.
2. The Friends of the Fryeburg Public Library teamed up with the Fryeburg Conservation Committee to provide information about native Maine wildflowers that overflowed the Weston with attendees. During this hands on seed bomb making workshop, each participant made several seed bombs that were thrown throughout our town.
2. Debra Marnich of Natural Resources Conservation Services gave a presentation on pollinator habitat. It was an excellent talk with beautiful photos of pollinating insects in wildflower patches. Tips were given to help interested people create their own pollinator habitats on their property.

Additional goals for 2020

1. Increasing public access at the Fryeburg Town Forest (on Route 5 near Canal Bridge Campground) by designing, fundraising for, and hopefully building a 1 mile hiking trail on the property.

2. Hosting up to four events as part of a 2020 Conservation Speaker Series this spring and summer, featuring experts in their fields and family-friendly activities.
3. Creating an inventory of town-owned open space lands and working to restore, protect and improve public access to Fryeburg's publicly owned spaces, as is our mission.

Respectfully submitted,
The Fryeburg Conservation Committee

ANNUAL REPORT OF THE EASTERN SLOPE AIRPORT AUTHORITY For the Calendar Year 2019

The Eastern Slope Regional Airport was created by joint legislation in Maine and New Hampshire in 1961. It is the regional airport of the Mount Washington Valley and Western Maine. The airport is operated under FAA and State of Maine rules and guidelines. Capital projects are funded 90% by the FAA and 5% each from the State of Maine and 5% local contributions. The total operating budget for 2018 was \$270,900.

In December 2018 the Eastern Slope Airport Authority adopted new bylaws. This change was necessary due to the large size of the board, lack of interest and lack of participation by many of the member communities. The new bylaws clarify that the ESAA is a 501(c) 4 nonprofit organization and not a government agency. During 2019 the new board of directors convened and began its oversight of the airport and its operations. It now consists of 11 members rather than 18 previously. Conway has two directors and Fryeburg has 3 directors. The remainder of the directors at large with one director serving as pilot/tenant liaison.

The airport is a year-round economic hub for businesses, tourists, emergency flight providers, flight training and search and rescue operations throughout the region. It also serves as the home for the new Kennett High School and Fryeburg Academy STEM Aviation Education program and summer STEM Aviation Camp for middle school students. In addition, thirty local pilots base their aircraft at the airport and add to the local economy through fuel purchases and hangar leases. The airport has one fulltime employee and several part-time employees when needed. Eastern Slope Airport is a key part of both Maine and New Hampshire's aeronautic system.

In the fall of 2016, the Airport began reconstruction of the aircraft parking apron, originally constructed in 1961. The project was completed in 2019. The new pavement is designed to accommodate increased light jet traffic as well as small aircraft. Also, beginning in January 2017, the airport offers a courtesy car for use by visiting pilots and crew.

In 2019, the Authority was also successful in obtaining funds for a new aircraft hangar to provide overnight storage of transient aircraft when required during inclement weather. Sources of funding are through a combination of the Federal Aviation Administration, the Economic Development Administration, the US Department of Agriculture Loan and grant the Northern Borders Organization, and funds from Maine and New Hampshire Aeronautics Agencies. The Authority has secured a total of over \$2.3 million and plans are to begin construction in the spring of 2020

Future projects include a terminal building to provide improved facilities for visitors, rental car vendor and pilot briefing area, as well as a public meeting room and new airport manager's office. Improvements are also planned for Lyman Drive, the airport entrance road, (also constructed in 1961) and an extension of the runway to 5000 feet in order to better accommodate small jets.

The following Board members of the Eastern Slope Airport Authority thank you for your continued support.

Don Thibodeau, Chairman – Fryeburg, ME
Gene Bergoffen, Treasurer – Fryeburg, ME,
David Sorensen – Eaton NH.
Ed Bergeron, Secretary – Conway, NH.
Steve Steiner, Conway, NH.
Ron Briggs, Chatham, NH.
Fred Packard, Bridgton, ME.

Carl Thibodeau, Vice Chairman – Conway, NH
Tom Holmes – Conway NH.
Katie Haley, Fryeburg, ME.
Ken Richardson, Denmark, ME.
Eric Meltzer, Fryeburg, ME.
Elbridge Russell, Fryeburg, ME.

CEMETERY REPORT FOR 2019

Clean-up, mowing and routine maintenance was done on the cemeteries by the highway department and summer crew.

They cut all the brush and small trees around the Charles Cemetery in West Fryeburg.
All work was under the direction of the town manager, Katie Haley.

Please contact the town office with any input and ideas which are always welcome.

Respectfully submitted,

Richard W. Andrews II
Committee members: Barbara Lawrence, Richard Andrews II

TREE WARDEN REPORT FOR 2019

One huge dead Pine at Bradley Park was cut down by Archer Tree Removal and the stump along with a second stump in the area removed by the town crew.

Trees earmarked for removal at the fire station were taken down by Maine D.O.T at no cost to the town.

We had two significant blowdowns at Eastman Memorial Grove which the town crew cleaned up along with routine maintenance and clean-up of underbrush. This park is dedicated to the growth of white pine trees.

All work is done under the direction of the town manager, Katie Haley.

Respectfully submitted,
Richard W. Andrews II, Tree Warden

BOARD OF APPEALS REPORT FOR 2019

It was my honor to serve the Town of Fryeburg as the Vice-Chair of the Board of Appeals for the year. The Board of Appeals met 6 times during the July 2018 to June 2019 time period to hear and decide on one administrative appeal and two variances pertaining to setbacks; as well as, an issue regarding maximum roof ridge height. Both variances were approved, however the administrative appeal was denied.

This year the long-time Chair of the Board of Appeals, Angelo J. Milia retired from his position on the Board. We note that Mr. Milia has chaired the Board for the last 10 years, and we are grateful for his service to the Board and to the Town of Fryeburg. We wish him well in all his future endeavors.

The Board meets on an as needed basis related to Town issues. We are here to serve the residents of Fryeburg and listen to any property concerns that come before us. We strive to be impartial and to serve the needs of our town in all matters.

Respectfully submitted,

Christopher H. De Vries, Vice-Chairman

PLANNING BOARD REPORT FOR 2019

To the citizens of Fryeburg

It has been an honor to serve as the Chair of the Planning Board for the past fiscal year. We welcomed John Wiesemann as the new Code Enforcement Officer. John took over for Katie as she accepted the Town Manager position. We have been working with Southern Maine Planning on rezoning parts of the town, and are making good progress on it. We have also worked on the recreational marijuana use ordinances. The following is a list of projects that came before the board for approval

Mark Lopez- subdivision off Wilton Warren Road
Old Saco Inn-wedding barn project
Private School-Fish Street

We encourage the public to attend our monthly meetings. They are held on the 4th Tuesday of every month at 6 pm at the Town Office.

Respectfully submitted,

Patrick Emery-chair of the Planning Board

SACO VALLEY FIRE ASSOCIATION REPORT FOR 2019

Greetings to the citizens of Stow, Chatham, Fryeburg,

Please accept our sincere gratitude for your continued support. Our dedicated team of volunteers have responded to 79 calls for service. This has been our busiest year to date, and we expect this trend to continue.

This year has seen our organization overcome many challenges, both external and internal. It was with great sadness that we honored the passing of our longtime member and friend, Web Fox. In addition, we have transferred to a new command team with Chief Jeremy Kiley and Assistant Chief Harold Drew. The strength of our community has seen us through these events.

We continue to add resources and capabilities to increase our response and the safety of our community. Recently, we received a donation of a cascade air system, allowing us to return critical equipment back to service sooner than we were able to previously. We continue our diligent fundraising efforts, raising up to ten percent of our total yearly budget. Through the generosity of our community, we are able to reduce our impact on our taxpayers.

As first responders and providers of emergency services, we hope for your continued safety. Please remember to test your smoke alarms and ensure you have two clear exits available at all times. Should the need arise, know that we stand ready to aid at any time, in any condition, and that your contribution aids our readiness and our community.

Thank you
Chief Jeremy Kiley, for the Saco Valley Fire Association

OXFORD COUNTY SHERIFF'S OFFICE

Christopher R. Wainwright

Sheriff

Christopher Wainwright

Chief Deputy

James Urquhart

2019 Annual Report

Dear Neighbors, Residents, and Tax Payers,

Thank you for the opportunity to serve as your Sheriff. As our agency prepares to enter the new decade, we look back at 2019 as one of our busiest and most challenging years. Not only did our county wide calls for service increase, but we also struggled, as most law enforcement agencies have, with attracting and retaining qualified law enforcement professionals.

This past year, the Oxford County Sheriff's Office has worked hard to rebuild the agency after trying times. To our agency's credit, I want you to know that my staff handled the year's challenges with dedication and professionalism. The work that they do each day with crime prevention, drug intervention, and jail services is often overlooked. I am proud to tell you that even in difficult times, the men and women of the Sheriff's Office have continued our mission to proudly serve and protect our neighbors in Oxford County.

Looking forward to 2020, I feel confident many of our challenges are in the past. We have plans to improve our visibility and response times by utilizing our substations in Brownfield, Rumford, and Bethel. Additionally, we have plans to convert our current jail facilities from a 72-hour holding facility back to a full-service operation. This will allow the county to restore local control and save our taxpayers money. Our agency has begun partnership with Central Maine Community College's Law Enforcement Program to recruit and train future law enforcement professionals. Through this new partnership, we have sent instructors and have successfully hired five patrol and corrections personnel. We hope that this will serve as a promising pathway to address some of the hiring challenges in Western Maine.

As I begin my 29th year of service to Oxford County, my commitment to service and to meeting the challenges of law enforcement in rural Maine have never been stronger. Again, thank you for the opportunity to serve as your Sheriff, and I look forward to the progress that our agency will make in the coming year.

Respectfully Submitted,

A handwritten signature in black ink that reads "Christopher Wainwright".

Sheriff Christopher R. Wainwright

SACO RIVER CORRIDOR COMMISSION
“Communities Working Together To Protect Our Rivers”

The Saco River Corridor Commission (SRCC) was created with one purpose in mind – to protect the rivers in the Saco Basin and all that these rivers represent to the people that live and work here. The legislature provided the start and the performance standards to initiate the program and the cleanliness of the river is a testament to that effort. The Commission’s role is one of partnership. Each town has an opportunity to choose two people to represent them on the board and in this way, the Commission is functioning more as a local/regional group working to keep the water clean and to keep Maine looking like Maine. It’s a fact that many people come to Maine from other places. They arrive proclaiming how wonderful Maine is, the clean air, the clean water and all the trees which looks “nothing like where they are from.” Invariably, as areas are built up, the values that people sought out change, bringing inappropriate uses to the shore land area that can lead to land and water based problems.

The Town of Fryeburg is fortunate to have Elbridge Russell on the Commission. The alternate position is currently vacant. Anyone interested in obtaining more information about how to represent your community through this Commission should contact the Commission Staff and we will explain the town’s role and the individual’s role as well. In a practical sense, Commissioners give the Town of Fryeburg an opportunity to participate in the present and future development patterns throughout the entire corridor from Fryeburg to Saco. Clean, healthy water is Maine’s greatest asset. It’s hard to understate this important fact.

We are happy to report that we concluded our nineteenth year of the Saco River Water Quality Monitoring Program. Currently, staff and volunteers monitor for dissolved oxygen, conductivity, pH, turbidity, temperature, total Kjeldahl nitrogen, total phosphorus, orthophosphate, Alkalinity and *Escherichia coli*. Our testing takes place on a bi-weekly schedule along the Saco, Ossipee, and Little Ossipee Rivers at 35 different locations during the months of May through September. All of the information relating to the past eighteen years of the Commission’s monitoring program can be found on our website located at www.srcc-maine.org. This information can be useful for Planning Boards, Code Enforcement Officers and developers in locating appropriate types of land uses close to the River.

The Commission’s job is to work with the communities in the Corridor to help keep the rivers clean and healthy. Copies of the water quality monitoring information are available, and questions can be asked, by calling Dalyn Houser, the Commission’s Executive Director. As always, if the town or citizen has a place on the river they believe should be tested, we would love to hear about it. The Commission office is located at 81 Maple Street in Cornish, Maine (Telephone 207-625-8123) and can be found on the web at www.srcc-maine.org.

INDEPENDENT AUDITORS' REPORT

Board of Selectmen
Town of Fryeburg
Fryeburg, Maine

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Fryeburg, Maine, as of and for the year ended June 30, 2019 and the related notes to the financial statements, which collectively comprise the Town of Fryeburg, Maine's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of

accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Fryeburg, Maine as of June 30, 2019 and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information and pension and OPEB information on pages 4 through 10 and 56 through 62 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Fryeburg, Maine's basic financial statements. The Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 6, 2020, on our consideration of the Town of Fryeburg, Maine's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of Fryeburg, Maine's internal control over financial reporting and compliance.

**REQUIRED SUPPLEMENTARY INFORMATION
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2019**

(UNAUDITED)

The following management's discussion and analysis of Town of Fryeburg, Maine's financial performance provides an overview of the Town's financial activities for the fiscal year ended June 30, 2019. Please read it in conjunction with the Town of Fryeburg, Maine's financial statements.

Financial Statement Overview

The Town of Fryeburg's basic financial statements include the following components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to the financial statements. This report also includes required supplementary information which consists of the general fund budgetary comparison schedule and pension and OPEB schedules and other supplementary information which includes combining and other schedules.

Basic Financial Statements

The basic financial statements include financial information in two differing views: the government-wide financial statements and the fund financial statements. These basic financial statements also include the notes to financial statements that explain in more detail certain information in the financial statements and also provide the user with the accounting policies used in the preparation of the financial statements.

Government-Wide Financial Statements

The government-wide financial statements provide a broad view of the Town's operations in a manner that is similar to private businesses. These statements provide both short-term as well as long-term information in regards to the Town's financial position. These financial statements are prepared using the accrual basis of accounting. This measurement focus takes into account all revenues and expenses associated with the fiscal year regardless of when cash is received or paid. The government-wide financial statements include the following two statements:

The Statement of Net Position – this statement presents *all* of the government's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference being reported as net position.

The Statement of Activities – this statement presents information that shows how the government's net position changed during the period. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

Both of the above mentioned financial statements have one column for the Town's activity. The type of activity presented for the Town of Fryeburg is:

- *Governmental activities* – The activities in this section are mostly supported by taxes and intergovernmental revenues (federal and state grants). All of the Town's basic services are reported in governmental activities, which include general government, public safety, recreation, parks, public works, library, civil services, education, unclassified and health and sanitation.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Fryeburg, like other local governments, uses fund accounting to ensure and demonstrate compliance with financial related legal requirements. All of the funds of the Town of Fryeburg are classified as governmental funds.

Governmental funds: All of the basic services provided by the Town are financed through governmental funds. Governmental funds are used to account for essentially the same functions reported in governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental fund financial statements focus on near-term inflows and outflows of spendable resources. They also focus on the balance of spendable resources available at the end of the fiscal year. Such information will be useful in evaluating the government's near-term financing requirements. This approach is known as the current financial resources measurement focus and the modified accrual basis of accounting. Under this approach, revenues are recorded when cash is received or when susceptible to accrual. Expenditures are recorded when liabilities are incurred and due. These statements provide a detailed short-term view of the Town's finances to assist in determining whether there will be adequate financial resources available to meet the current needs of the Town.

Because the focus of governmental funds is narrower than that of government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities. These reconciliations are presented on the page immediately following each governmental fund financial statement.

The Town of Fryeburg presents three columns in the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in

fund balances. The Town's major governmental funds are the general fund and the credit reserve account. All other funds are shown as nonmajor and are combined in the "Other Governmental Funds" column on these statements.

The general fund is the only fund for which the Town legally adopted a budget. The Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund provides a comparison of the original and final budget and the actual expenditures for the current year.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the Government-Wide and the Fund Financial Statements. The Notes to Financial Statements can be found following the Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances of the Governmental Funds to the Statement of Activities.

Required Supplementary Information

The basic financial statements are followed by a section of required supplementary information, which includes a Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund, a Schedule of Proportionate Share of the Net Pension Liability, a Schedule of Contributions - Pension, a Schedule of Changes in Net OPEB Liability, a Schedule of Changes in Net OPEB Liability and Related Ratios, a Schedule of Contributions - OPEB and Notes to Required Supplementary Information.

Other Supplementary Information

Other supplementary information follows the required supplementary information. These combining and other schedules provide information in regards to nonmajor funds, capital asset activity and other detailed budgetary information for the general fund.

Government-Wide Financial Analysis

Our analysis below focuses on the net position and changes in net position of the Town's governmental activities. The Town's total net position for governmental activities increased by \$782,623 from \$10,136,243 to \$10,918,866. This is a result of the combined operations of all funds with accrual adjustments made for noncurrent asset and noncurrent liability activity.

Unrestricted net position - the part of net position that can be used to finance day-to-day operations without constraints established by debt covenants, enabling legislation or other legal requirements - increased for governmental activities to a balance of \$3,553,936 at the end of this year.

Financial Analysis of the Town's Fund Statements

Governmental funds: The financial reporting focus of the Town's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information may be useful in assessing the Town's financial requirements. In particular, unassigned fund balance may serve as a useful measure of a government's financial position at the end of the year and the net resources available for spending.

Table 3
Town of Fryeburg, Maine
Fund Balances - Governmental Funds
June 30,

	<u>2019</u>	<u>2018</u>
General Fund:		
Restricted	\$ -	\$ 1,756
Assigned	112,946	85,138
Unassigned	2,034,666	1,602,840
Total General Fund	<u>\$ 2,147,612</u>	<u>\$ 1,689,734</u>
Credit Reserve Account:		
Committed	\$ 884,638	\$ 900,459
Total Credit Reserve Account	<u>\$ 884,638</u>	<u>\$ 900,459</u>
Nonmajor Funds:		
Special Revenue Funds:		
Restricted	\$ 29,507	\$ 40,006
Assigned	137,390	124,951
Unassigned	(5,309)	-
Capital Projects Funds:		
Committed	440,166	419,729
Unassigned	(2,269)	-
Permanent Funds:		
Nonspendable	19,670	19,670
Restricted	80,102	83,040
Total Nonmajor Funds	<u>\$ 699,257</u>	<u>\$ 687,396</u>

The general fund total fund balance increased by \$457,878 from the prior fiscal year. This increase was due to revenues exceeding expenditures and transfers to other funds. The credit reserve account total fund balance decreased by \$15,485 from the prior fiscal year. This decrease was due to only having expenditures for activity. The nonmajor funds total fund balances increased by \$11,525 from the prior fiscal year mainly as the result of transfers into the capital projects funds.

Budgetary Highlights

The differences between the original and final budget for the general fund were due to use of assigned and unassigned fund balance.

The general fund actual revenues exceeded the budget by \$223,197. All revenue categories were received in excess of budgeted amounts with the exception of intergovernmental revenues.

The general fund actual expenditures were under budget by \$214,681. All expenditures were at or below budgeted appropriations with the exception of recreation, library and transfers to other funds. Recreation and library were both overspent as the result of increasing workers compensation costs along with a new librarian who was hired.

Capital Asset and Debt Administration

Capital Assets

As of June 30, 2019, the net book value of capital assets recorded by the Town decreased by \$119,159 from the prior year. This decrease is the result of capital additions of \$331,117 less current year depreciation of \$450,276.

Table 4
Town of Fryeburg, Maine
Capital Assets (Net of Depreciation)
June 30,

	2019	2018
Land and Non-Depreciable Assets	\$ 264,658	\$ 266,438
Buildings and Improvements	773,350	812,694
Machinery and Equipment	405,066	477,698
Vehicles	331,579	388,494
Infrastructure	<u>5,574,925</u>	<u>5,523,413</u>
Total	<u>\$ 7,349,578</u>	<u>\$ 7,468,737</u>

Debt

At June 30, 2019, the Town had \$113,927 in bonds and notes from direct borrowings payable versus \$533,085 last year. Refer to Note 5 of Notes to Financial Statements for more detailed information.

Economic Factors and Next Year's Budgets and Rates

The Town has steadily maintained a sufficient unassigned fund balance to meet its fund balance policy requirement of having a minimum of 12% of general fund expenditures less debt service, while also maintaining significant reserve accounts for future capital and program needs.

Contacting the Town's Financial Management

This financial report is designed to provide our citizens, taxpayers, customers and investors and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Town Office at 16 Lovewell Pond Road, Fryeburg, Maine 04037.

TOWN OF FRYEBURG, MAINE

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED JUNE 30, 2019

Net change in fund balances - total governmental funds (Statement E)	<u>\$ 453,918</u>
--	-------------------

Amounts reported for governmental activities in the Statement of Activities
(Statement B) are different because:

Governmental funds report capital outlays as expenditures while governmental
activities report depreciation expense allocated to those expenditures over
the life of the assets:

Capital asset acquisitions	331,117
Depreciation expense	(450,276)
	(119,159)

Deferred outflows of resources are a consumption of net position by the government
that are applicable to a future reporting period and therefore are not reported in the
funds:

Pension	(58,466)
OPEB	(469)
	(58,935)

Revenues in the Statement of Activities that do not provide current financial
resources are not reported as revenues in the funds:

Taxes and liens receivable	(23,977)
----------------------------	----------

Repayment of long-term debt principal is an expenditure in the governmental
funds, but the repayment reduces long-term obligations in the Statement of Net
Position

	419,158
--	---------

Deferred inflows of resources are an acquisition of net position by the government
that are applicable to a future reporting period and therefore are not reported in the
funds:

Pension	65,143
OPEB	(8,918)
	56,225

Some expenses reported in the Statement of Activities do not require the use of
current financial resources and therefore are not reported as expenditures in
governmental funds:

Accrued compensated absences	4,317
Net OPEB liability	(3,617)
Net pension liability	54,693
	55,393

Change in net position of governmental activities (Statement B)	\$ 782,623
---	------------

See accompanying independent auditors' report and notes to financial statements.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Town of Fryeburg was incorporated under the laws of the State of Maine. The Town operates under the selectmen-town manager form of government and provides the following services: general government, public safety, recreation, parks, public works, library, civil services, education, unclassified and health and sanitation.

The Town's financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations).

The Town's combined financial statements include all accounts and all operations of the Town. We have determined that the Town has no component units as described in GASB Statement No. 14 and amended by GASB Statements No. 39 and No. 61.

Implementation of New Accounting Standards

During the year ended June 30, 2019, the following statements of financial accounting standards issued by the Governmental Accounting Standards Board became effective:

Statement No. 83 "Certain Asset Retirement Obligations." This Statement establishes criteria for determining the timing and pattern of recognition of a liability and a corresponding deferred outflow of resources for AROs. This Statement requires that recognition occur when the liability is both incurred and reasonably estimable. The determination of when the liability is incurred should be based on the occurrence of external laws, regulations, contracts, or court judgments, together with the occurrence of an internal event that obligates a government to perform asset retirement activities. Laws and regulations may require governments to take specific actions to retire certain tangible capital assets at the end of the useful lives of those capital assets, such as decommissioning nuclear reactors and dismantling and removing sewage treatment plants. Other obligations to retire tangible capital assets may arise from contracts or court judgments. Internal obligating events include the occurrence of contamination, placing into operation a tangible capital asset that is required to be retired, abandoning a tangible capital asset before it is placed into operation, or acquiring a tangible capital asset that has an existing ARO. This Statement also requires disclosure of information about the nature of a government's AROs, the methods and assumptions used for the estimates of the liabilities, and the estimated remaining useful life of the associated tangible capital assets. If an ARO (or portions thereof) has been incurred by a

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

government but is not yet recognized because it is not reasonably estimable, the government is required to disclose that fact and the reasons therefor. This Statement requires similar disclosures for a government's minority shares of AROs. Management has determined the impact of this Statement is not material to the financial statements.

Statement No. 88 "Certain Disclosures Related to Debt, Including Direct Borrowings and Direct Placements." This Statement defines debt for purposes of disclosure in notes to financial statements as a liability that arises from a contractual obligation to pay cash (or other assets that may be used in lieu of cash) in one or more payments to settle an amount that is fixed at the date the contractual obligation is established. This Statement requires that additional essential information related to debt be disclosed in notes to financial statements, including unused lines of credit; assets pledged as collateral for the debt; and terms specified in debt agreements related to significant events of default with finance-related consequences, significant termination events with finance-related consequences and significant subjective acceleration clauses. Management has determined the impact of this Statement is not material to the financial statements.

Government-Wide and Fund Financial Statements

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds).

Both the government-wide and fund financial statements categorize primary activities as either governmental or business-type. All activities of the Town are categorized as governmental.

In the government-wide Statement of Net Position, the governmental activity column is (a) presented on a consolidated basis by column and (b) is reported on a full accrual, economic resources basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net position is reported in three parts - net investment in capital assets; restricted net position and unrestricted net position. The Town first utilizes restricted resources to finance qualifying activities.

The government-wide Statement of Activities reports both the gross and net cost of each of the Town's functions (general government, public safety, etc.) excluding fiduciary activities. The functions are also supported by general government revenues (property taxes, certain intergovernmental revenues, miscellaneous revenues, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, operating and capital grants. Program revenues must be directly

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

associated with the function. Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants. For the most part, the interfund activity has been eliminated from these government-wide financial statements.

The net costs (by function) are normally covered by general revenue (taxes, certain intergovernmental revenues and charges for services, etc.).

The Town does not allocate indirect costs. All costs are charged directly to the corresponding department.

The government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's Net position resulting from the current year's activities.

Measurement Focus - Basic Financial Statements & Fund Financial Statements

The financial transactions of the Town are reported in the individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources liabilities, deferred inflows of resources, fund balances, revenues and expenditures/expenses. The various funds are reported by generic classification within the financial statements. Both fiduciary funds and component units that are fiduciary in nature have been excluded from these financial statements. The following fund types are used by the Town:

1. Governmental Funds:

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position (sources, uses and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Town:

Major fund:

- a. The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.
- b. The Credit Reserve Account is used to account for financial resources to be used for the payment of unexpected intangible items such as retirement or contract payouts.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Nonmajor funds:

- c. Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.
- d. Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities or equipment.
- e. Permanent Funds are used to account for assets held by the Town that are legally restricted pursuant to Title 30-A, §5653 of the Maine State Statutes, as amended and unless otherwise specified, only earnings and not principal, may be used for purposes that benefit the Town or its citizenry. The Town's policy for authorizing and spending investment income follows State statutes.

The emphasis in fund financial statements is on the major funds in the governmental activity category. Nonmajor funds by category are summarized into a single column, GASB Statement No. 34 sets forth minimum criteria (percentage of the assets, deferred outflows of resources, liabilities, deferred inflows of resources, revenues or expenses of either the fund category or the governmental and enterprise combined) for the determination of major funds. The nonmajor funds are combined in a column in the fund financial statements.

Basis of Accounting

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

1. Accrual

Governmental activities in the government-wide financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Modified Accrual

The governmental fund financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. "Available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

Budget

The Town's policy is to adopt an annual budget for operations. The budget is presented on the modified accrual basis of accounting which is consistent with generally accepted accounting principles.

The following procedures are followed in establishing budgetary data reflected in the financial statements:

1. Early in the first half of the year the Town prepares a budget for the fiscal year beginning July 1. The operating budget includes proposed expenditures and the means of financing them.
2. A meeting of the inhabitants of the Town was called for the purpose of adopting the proposed budget after public notice of the meeting was given.
3. The budget was adopted subsequent to passage by the inhabitants of the Town.

Deposits and Investments

The Town's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

It is the Town's policy to value investments at fair value. None of the Town's investments are reported at amortized cost. The Town Treasurer is authorized by State Statutes to invest all excess funds in the following:

- Obligations of the U.S. Government, its agencies and instrumentalities
- Certificates of deposits and other evidences of deposits at banks, savings and loan associations and credit unions

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- Repurchase agreements
- Money market mutual funds

Receivables

Receivables include amounts due from governmental agencies. All receivables are current and therefore due within one year. Receivables are reported net of an allowance for uncollectible accounts and revenues net of uncollectibles. Allowances are reported when accounts are proven to be uncollectible. Allowances for uncollectible accounts netted with accounts receivable were \$53,137 for the year ended June 30, 2019. The allowance for uncollectible accounts is estimated to be \$0 as of June 30, 2019.

Interfund Receivables and Payables

Transactions between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as "due to/from other funds". While these balances are reported in fund financial statements, certain eliminations are made in the preparation of the government-wide financial statements. Any residual balances outstanding between governmental activities and business-type activities are reported in the governmental-wide financial statements as "internal balances".

Transactions Between Funds

Legally authorized transfers are treated as interfund transfers and are included in the results of operations of Governmental Funds.

Capital Assets

Capital assets purchased or acquired with an original cost of \$5,000 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Infrastructure such as streets, traffic signals and signs are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the estimated useful lives.

The assets are valued at historical cost when available and estimated historical cost where actual invoices or budgetary data was unavailable. Donated fixed assets are valued at their estimated fair market value on the date received. All retirements have been recorded by eliminating the net carrying values.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Infrastructure assets include roads, bridges, underground pipe (other than related to independently owned utilities), traffic signals, etc. These infrastructure assets are likely to be the largest asset class of the Town. The Town has not retroactively recorded infrastructure.

Estimated useful lives are as follows:

Buildings	20 - 50 years
Infrastructure	50 - 100 years
Machinery and equipment	3 - 50 years
Vehicles	3 - 25 years

Long-term Obligations

The accounting treatment of long-term obligations depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

All long-term obligations to be repaid from governmental and business-type resources are reported as liabilities in government-wide statements. The long-term obligations consist of notes from direct borrowings payable, accrued compensated absences, net OPEB liability and net pension liability.

Long-term debt for governmental funds is not reported as liabilities in the fund financial statements. The debt proceeds are reported as other financing sources and payment of principal and interest reported as expenditures. The accounting for proprietary funds is the same in the fund statements as it is in the government-wide statements.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions and pension expense, information about the fiduciary net position of the Participating Local District (PLD) Consolidated Plan and additions to/deductions from the PLD Consolidated Plan's fiduciary net position have been determined on the same basis as they are reported by the PLD Consolidated Plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

OPEB

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, management received and relied on an actuarial report provided to them by the Maine Municipal Employees Health Trust (MMEHT), which determined the Town's fiduciary net position as a single employer defined benefit plan based on information provided solely by MMEHT to complete the actuarial report. Additions to/deductions from the MMEHT OPEB Plan's fiduciary net position have been determined on the same basis as they are reported by MMEHT. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms.

Net Position

Net position represents the difference between all other elements in a statement of financial position. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for those assets and adding back unspent proceeds. Net position is reported as restricted when there are limitations imposed on its use either through enabling legislations adopted by the Town or through external restrictions imposed by creditors, grantors or laws or regulations of other governments. Unrestricted net position is the net amount of the assets, deferred outflows of resources, liabilities and deferred inflows of resources that are not included in the determination of net investment in capital assets or restricted net position.

Fund Balances

In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent to which the Town is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balance is reported in five components – nonspendable, restricted, committed, assigned and unassigned.

Nonspendable – This includes amounts that cannot be spent either because they are not in spendable form or because they are legally or contractually required to be maintained intact.

Restricted – This includes amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors or the laws or regulations of other governments.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Committed – This includes amounts that can be used only for specific purposes determined by a formal action of the inhabitants of the Town. The inhabitants of the Town through Town meetings are the highest level of decision-making authority of the Town. Commitments may be established, modified or rescinded only through a Town meeting vote.

Assigned – This includes amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. The authority for assigning fund balance is expressed by the Board of Selectmen.

Unassigned – This includes all other spendable amounts. The general fund is the only fund that reports a positive unassigned fund balance amount. Other governmental funds besides the general fund can only report a negative unassigned fund balance amount.

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balances are available, the Town considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Town considers amounts to have been spent first out of committed funds, then assigned funds and finally unassigned funds, as needed, unless the Town meeting vote has provided otherwise in its commitment or assignment actions.

In order to maintain financial stability, the Town has established a policy to maintain an undesignated fund balance of no less than 12% and no more than 15% of the previous fiscal year's operating expenditures less debt service. This will be calculated as follows:

Gross Town expenditures plus Gross School Department expenditures plus County Expenditures less debt service equals net expenditures. The actual undesignated fund balance/net expenditures equal percent of fund balance.

Any fund balance in excess of 15% shall be used to increase the designated reserve accounts, the Town's appropriated contingency account or the appropriated capital improvement fund.

In the case of a serious, unexpected municipal event, the Selectmen may reduce the undesignated fund balance below the 12% minimum to compensate for these losses. A written plan to replenish the fund in a maximum of three fiscal years must be approved by the Selectmen at the time of the emergency fund balance appropriation.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deferred Outflows and Inflows of Resources

In addition to assets, the statement of financial position and/or balance sheet will at times report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Town has two types of this item, deferred outflows related to pensions and deferred outflows related to OPEB. These items are reported in the statement of net position.

In addition to liabilities, the statement of financial position and or balance sheet will at times report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Town has deferred tax revenues, which arises only under a modified accrual basis of accounting that qualifies for reporting in this category. Accordingly, this item is reported in the governmental funds balance sheet. Prepaid taxes also qualify for reporting in this category. This item is reported in both the statement of net position and governmental funds balance sheet. Deferred inflows related to pensions and deferred inflows related to OPEB qualify for reporting in this category as well. These items are reported only in the statement of net position. All items in this category are deferred and recognized as an inflow of resources in the period that the amounts become available.

Revenue Recognition - Property Taxes - Modified Accrual Basis

The Town's property tax for the current year was levied August 30, 2018 on the assessed value listed as of April 1, 2018, for all real and personal property located in the Town. Taxes were due on in two installments on October 15, 2018 and April 15, 2019. Interest on unpaid taxes commenced on October 16, 2018 and April 16, 2019, at 8% per annum.

Property tax revenues are recognized when they become available. Available includes those property tax receivables expected to be collected within sixty days after year end. The remaining receivables have been recorded as deferred revenues.

The Town is permitted by the laws of the State of Maine to levy taxes up to 105% of its net budgeted expenditures for the related fiscal period. The amount raised in excess of 100% is referred to as overlay and amounted to \$32,391 for the year ended June 30, 2019.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tax liens are placed on real property within twelve months following the tax commitment date if taxes are delinquent. The Town has the authority to foreclose on property eighteen months after the filing of the lien if tax liens and associated costs remain unpaid.

Program Revenues

Program revenues include all directly related income items applicable to a particular program (charges to customers or applicants for goods, services or privileges provided, operating or capital grants and contributions, including special assessments).

Encumbrance Accounting

Encumbrances are not liabilities and, therefore, are not recorded as expenditures until receipt of material or service. For budgetary purposes, appropriations lapse at fiscal year-end. The Town does use encumbrance accounting for its general fund.

Use of Estimates

During the preparation of the Town's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent items as of the date of the financial statements and the reported amounts of revenues and expenses/expenditures during the reporting period. Actual results may differ from these estimates.

NOTE 2 - DEPOSITS AND INVESTMENTS

The Town's investment policies, which follow state statutes, authorize the Town to invest in obligations of the U.S. Treasury, agencies and instrumentalities, other states and Canada, provided such securities are rated within the three highest grades by an approved rating service of the State of Maine, corporate stocks and bonds within statutory limits, financial institutions, mutual funds and repurchase agreements. These investment policies apply to all Town funds.

Deposits:

Custodial credit risk for deposits is the risk that, in the event of a failure of a depository financial institution, the Town will not be able to recover its deposits or will not be able to recover collateral securities that are in possession of an outside party. The Town does not have a policy covering custodial credit risk.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 2 - DEPOSITS AND INVESTMENTS (CONTINUED)

At June 30, 2019, the Town's cash balances of \$3,646,716 were comprised of bank balances of \$3,696,630, of which \$444,035 was fully insured by federal depository insurance and consequently was not exposed to custodial credit risk. The remaining bank balances of 3,252,595 were collateralized with securities held by the financial institution in the Town's name.

<u>Account Type</u>	<u>Bank Balance</u>
Checking accounts	\$ 3,502,595
Savings accounts	194,035
	<u>\$ 3,696,630</u>

Investments:

Custodial credit risk for investments is that, in the event of failure of the counterparty, the Town will not be able to recover the value of its investments or collateral securities that are in possession of an outside party. Currently, the Town does not have a policy for custodial credit risk for investments. The Town does not have any investments as of June 30, 2019.

Credit risk – Statutes for the State of Maine authorize the Town to invest in obligations of the U.S. Treasury, agencies and instrumentalities, other states and Canada, provided such securities are rated within the three highest grades by an approved rating service of the State of Maine, corporate stocks and bonds within statutory limits, financial institutions, mutual funds and repurchase agreements. The Town does not have an investment policy on credit risk. Generally, the Town invests excess funds in savings accounts and various insured certificates of deposit.

Interest rate risk – is the risk that changes in interest rates will adversely affect the fair value of an investment. The Town will mitigate interest rate risk through structuring investment maturities such that the Town's cash demands for on-going operations will be met from cash flows of maturing securities and therefore will preclude the premature sale of securities to meet those needs.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 4 - CAPITAL ASSETS (CONTINUED)

The current year depreciation is as follows:

General government	\$ 5,330
Public safety	74,885
Public works	322,108
Recreation	18,277
Health and sanitation	20,406
Town-wide	9,270
	<u>\$ 450,276</u>

NOTE 5 - LONG-TERM DEBT

The following is a summary of changes in long-term debt for the year ended June 30, 2019:

	Balance 7/1/18	Additions	Deletions	Balance 6/30/19	Current Year Portion
Bond payable	\$ 335,487	\$ -	\$ (335,487)	\$ -	\$ -
Capital leases payable	197,598	-	(83,671)	113,927	56,394
	<u>\$ 533,085</u>	<u>\$ -</u>	<u>\$ (419,158)</u>	<u>\$ 113,927</u>	<u>\$ 56,394</u>

The following is a summary of the outstanding notes from direct borrowings payable:

The Town leases a truck under a non-cancelable lease agreement. The term of the lease is for a seven year period expiring in November of 2020. Annual principal and interest payments are \$35,117. Interest is charged at a fixed rate of 2.79% per annum.	\$ 67,162
The Town leases a loader under a non-cancelable lease agreement. The term of the lease is for a six year period expiring in November of 2021. Annual principal and interest payments are \$24,086. Interest is charged at a fixed rate of 2.00% per annum.	<u>46,765</u>
Total Notes from Direct Borrowings Payable	<u>\$ 113,927</u>

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 5 - LONG-TERM DEBT (CONTINUED)

Principal and interest requirements to maturity are as follows:

	Principal	Interest	Total Debt Service
2020	\$ 56,394	\$ 2,809	\$ 59,203
2021	57,533	1,425	58,958
	<u>\$ 113,927</u>	<u>\$ 4,234</u>	<u>\$ 118,161</u>

All bonds and notes are direct obligations of the Town, for which its full faith and credit are pledged. The Town is not obligated for special assessment debt. All bonds and notes are payable from taxes levied on all taxable property located within the Town. The General Fund is used to liquidate the liability for the bonds and notes.

NOTE 6 - OTHER LONG-TERM OBLIGATIONS

The following is a summary of changes in other long-term obligations for the year ended June 30, 2019:

	Balance 7/1/18	Additions	Deletions	Balance 6/30/19	Current Year Portion
Accrued compensated absences	\$ 56,944	\$ -	\$ (4,317)	\$ 52,627	\$ 10,525
Net OPEB liability	86,557	3,617	-	90,174	-
Net pension liability	270,884	-	(54,693)	216,191	-
Total	<u>\$ 414,385</u>	<u>\$ 3,617</u>	<u>\$ (59,010)</u>	<u>\$ 358,992</u>	<u>\$ 10,525</u>

Please see Notes 7, 17 and 18 for detailed information on each of the other long-term obligations.

NOTE 7 - ACCRUED COMPENSATED ABSENCES

The Town's policies regarding vacation and sick time permit employees to accumulate earned but unused vacation and sick leave. The liability for these compensated absences is recorded as long-term debt in the government-wide financial statements. In the fund financial statements, governmental funds report only the compensated absence liability payable from expendable available financial resources. As of June 30, 2019, the Town's liability for compensated absences is \$52,627.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 8 - NONSPENDABLE FUND BALANCE

At June 30, 2019, the Town had the following nonspendable fund balance:

Nonmajor permanent funds (Schedule I)	<u>\$ 19,670</u>
---------------------------------------	------------------

NOTE 9 - RESTRICTED FUND BALANCES

At June 30, 2019, the Town had the following restricted fund balances:

Nonmajor special revenue funds (Schedule E)	\$ 29,507
Nonmajor permanent funds (Schedule I)	<u>80,102</u>
	<u>\$ 109,609</u>

NOTE 10 - COMMITTED FUND BALANCES

At June 30, 2019, the Town had the following committed fund balances:

Credit reserve account	\$ 884,638
Nonmajor capital projects funds (Schedule G)	<u>440,166</u>
	<u>\$ 1,324,804</u>

NOTE 11 - ASSIGNED FUND BALANCES

At June 30, 2019, the Town had the following assigned fund balances:

General fund:	
Economic development	\$ 4,465
Channel 3	29,810
Public works crack sealing	16,005
Public works sidewalk maintenance	39,850
Public works roads maintenance	22,816
Nonmajor special revenue funds (Schedule E)	<u>137,390</u>
	<u>\$ 250,336</u>

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 12 - DEFICIT FUND BALANCES

At June 30, 2019, the Town had the following deficit fund balances:

Nonmajor special revenue funds (Schedule E):	
PD Homeland Security grant	\$ 5,309
Nonmajor capital projects funds (Schedule G):	
ADA Upgrades, Legion, Town Office	2,269
	<u>\$ 7,578</u>

NOTE 14 - OVERLAPPING DEBT

The Town is contingently liable for its proportionate share of any defaulted debt by entities of which it is a member. As of June 30, 2019, the County of Oxford had no long-term debt. At June 30, 2019, the Town's share of the school debt was approximately:

	<u>Outstanding Debt</u>	<u>Percentage</u>	<u>Amount</u>
MSAD #72	\$ 17,407,583	33.33%	<u>\$ 5,801,947</u>

NOTE 15 - RISK MANAGEMENT

The Town is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Town participates in a public entity risk pool sponsored by the Maine Municipal Association. The Maine Municipal Association Group Risk Pool is a state chartered pool established exclusively for Maine municipalities. The pool provides certain property, liability, fidelity and vehicle coverage. If the assets of the pool are at any time actuarially determined to be insufficient to enable the pool to discharge its legal obligations, other obligations and actuarially sound reserves, the pool has the power to make up the deficiency by the levy of a prorated assessment. There have been no deficiencies during the past three years and management believes that no deficiency exists at June 30, 2019.

The Town is a member of the Maine Municipal Association – Property and Casualty Pool and pays an annual premium for its coverage. Under the property portion of the policy, coverage is provided after a per occurrence deductible is met. The limit of coverage for liability claims brought under the Maine Tort Claims Act is \$400,000 per occurrence. A \$2,000,000 limit of liability is provided for liability claims outside the Maine Tort Claims Act. There is no aggregate liability limit. Coverage for Public Officials Liability, including Employment Practices, is a part of the program. Coverage is on an

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 15 - RISK MANAGEMENT (CONTINUED)

occurrence basis, rather than a “claims made” form. A \$2,000,000 limit of liability is provided for all claims for Wrongful Acts seeking monetary damages pursuant to federal or state law for which the Maine Tort Claims Act does not provide immunity or limitations. Each member has a \$4,000,000 annual aggregate limit. An annual sublimit of \$100,000 per member applies for all back wages and/or future salary awards for employment related claims, subject to a \$5,000 retention and a 10% contribution by the member.

The Town is also a member of the Maine Municipal Association – Worker Compensation Trust Fund (“Fund”). The Fund was created to formulate, develop and administer a program of modified self-funding for the Fund’s membership, obtain lower costs for worker’s compensation coverage and develop a comprehensive loss control program. The Town pays an annual premium to the fund for its worker’s compensation coverage. The Town’s agreement with the Fund provides that the fund will be self-sustaining through member premiums and will provide, through commercial companies’ reinsurance contracts, coverage for claims in excess of \$1,000,000.

Based on the coverage provided by the insurance purchased, the Town is not aware of any material actual or potential claim liabilities which should be recorded as of June 30, 2019. There were no significant reductions in insurance coverage from that of the prior year and amounts of settlements have not exceeded insurance coverage in the past three years

NOTE 16 - CONTINGENCIES

With regard to pending legal claims or any unasserted claims, it is not feasible at this time to predict or determine their outcome. Management believes, however, that settlement amounts, if any, will not have a material adverse effect on the Town’s financial position.

The Town participates in various intergovernmental grant programs which may be subject to future program compliance audits by the grantors or their representatives. Accordingly, the Town’s compliance with applicable grant requirement may be established at some future date. The amount, if any, of any liabilities arising from the disallowance of expenditures or ineligibility of grant revenues cannot be determined at this time.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 17 - DEFINED BENEFIT PENSION PLAN

MAINE PUBLIC EMPLOYEES RETIREMENT SYSTEM

Plan Description

Town employees contribute to the Maine Public Employees Retirement System (MainePERS), a cost-sharing multiple-employer defined benefit pension plan established by the Maine State Legislature. Title 5 of the Maine Revised Statutes Annotated assigns the authority to establish and amend benefit provisions to the Participating Local District (PLD) Consolidated Plan's advisory group, which reviews the terms of the plan and periodically makes recommendations to the Legislature to amend the terms. The Maine Public Employees Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for the Consolidated Plan. That report may be obtained online at www.maineopers.org or by contacting the System at (800) 451-9800.

Benefits Provided

The Maine Public Employees Retirement System provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. The System's retirement programs provide defined retirement benefits based on members' average final compensation and service credit earned as of retirement. Vesting (i.e., eligibility for benefits upon reaching qualification) occurs upon the earning of five years of service credit (effective October 1, 1999, the prior ten year requirement was reduced by legislative action to five years for employees of PLDs). In some cases, vesting occurs on the earning of one year of service credit immediately preceding retirement at or after normal retirement age. For PLD members, normal retirement age is 60 or 65. The monthly benefit of members who retire before normal retirement age by virtue of having at least 25 years of service credit is reduced by a statutorily prescribed factor for each year of age that a member is below her/his normal retirement age at retirement. The System also provides disability and death benefits which are established by contract with PLD employers under applicable statutory provisions. As of June 30, 2018, there were 304 employers in the plan.

Upon termination of membership, members' accumulated employee contributions are refundable with interest, credited in accordance with statute. Withdrawal of accumulated contributions results in forfeiture of all benefits and membership rights. The annual rate of interest credited to members' accounts is set by the System's Board of Trustees and is currently 2.4%.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 17 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

Contributions

Retirement benefits are funded by contributions from members and employers and by earnings on investments. Disability and death benefits are funded by employer normal cost contributions and by investment earnings. The Town's plan members are part of the PLD's plan "AN" and are required to contribute 8.0% of their annual covered salary and the Town is required to contribute at an actuarially determined rate. The current rate is 7.3% of covered payroll. The contribution rates of plan members and the Town are established and may be amended by the Maine Public Employee Retirement Systems advisory group. The Town's contribution to the MainePERS PLD Consolidated Plan for the year ended June 30, 2019 was \$45,312 .

Pension Liabilities, Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2019, the Town reported a liability of \$216,191 for its proportionate share of the net pension liabilities for the plan. The net pension liabilities were measured as of June 30, 2018 and the total pension liabilities used to calculate the net pension liabilities was determined by an actuarial valuation as of that date. The Town's proportion of the net pension liabilities were based on a projection of the Town's long-term share of contributions to each pension plan relative to the projected contributions of all PLDs, actuarially determined. At June 30, 2018, the Town's proportion was 0.078994%, which was an increase of 0.01283% from its proportion measured as of June 30, 2017.

For the year ended June 30, 2019, the Town recognized total pension revenue of \$71,370. At June 30, 2019, the Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 17 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

	PLD Plan	
	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 677	\$ 2,375
Changes of assumptions	34,506	-
Net difference between projected and actual earnings on pension plan investments	-	52,202
Changes in proportion and differences between contributions and proportionate share of contributions	48,103	105
Contributions subsequent to the measurement date	45,312	-
Total	<u>\$ 128,598</u>	<u>\$ 54,682</u>

\$45,312 reported as deferred outflows of resources related to pensions resulting from Town contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2020. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

	PLD Plan
Plan year ended June 30:	
2018	\$ 59,014
2019	18,595
2020	(35,513)
2021	(13,492)
2022	-
Thereafter	-

The collective total pension liability for the Plan was determined by an actuarial valuation as of June 30, 2018, using the following methods and assumptions applied to all periods included in the measurement:

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 17 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

Actuarial Methods and Assumptions

Actuarial Cost Method

The Entry Age Normal actuarial funding method is used to determine costs. Under this funding method, the total employer contribution rate consists of two elements: the normal cost rate and the unfunded actuarial liability (UAL) rate.

The individual entry age normal method is used to determine liabilities. Under the individual entry age normal method, a normal cost rate is calculated for each employee. This rate is determined by taking the value, as of age at entry into the plan, of the member's projected future benefits and dividing it by the value, also as of the member's entry age, of his or her expected future salary. The normal cost for each employee is the product of his or her pay and his or her normal cost rate. The normal cost for the group is the sum of the normal costs for all members.

Experience gains and losses, i.e., decreases or increases in liabilities and/or in assets when actual experience differs from the actuarial assumptions, affect the unfunded actuarial accrued liability.

Asset Valuation Method

The actuarial valuation employs a technique for determining the actuarial value of assets which dampens the swing in the market value. The specific technique adopted in this valuation recognizes in a given year one-third of the investment return that is different from the actuarial assumption for investment return.

Amortization

The net pension liability of the PLD Consolidated Plan is amortized on a level percentage of payroll using a method where a separate twenty-year closed period is established annually for the gain or loss for that year.

Significant actuarial assumptions employed by the actuary for funding purposes as of June 30, 2018 are as follows:

Investment Rate of Return - For the PLD Plan, 6.75% per annum for the year ended June 30, 2018; the rate was 6.875% in 2017, compounded annually.

Salary Increases, Merit and Inflation - 2.75% to 9.00% per year

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 17 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

Mortality Rates - For participating local districts, the RP2014 Total Dataset Healthy Annuitant Mortality Table, for males and females, is used. For all recipients of disability benefits, the RP2014 Total Dataset Disabled Annuitant Mortality Table, for males and females, is used.

Cost of Living Benefit Increases - 1.91%; in 2017 the rate was 2.20%

The long-term expected rate of return on pension plan assets was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major class of assets. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as June 30, 2018 are summarized in the following table. Assets for the defined benefit plan are comingled for investment purposes.

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-term Expected Real Rate of Return</u>
Public equities	30.0%	6.0%
US Government	7.5%	2.3%
Private equity	15.0%	7.6%
Real assets:		
Real estate	10.0%	5.2%
Infrastructure	10.0%	5.3%
Natural resources	5.0%	5.0%
Traditional Credit	7.5%	3.0%
Alternative Credit	5.0%	4.2%
Diversifiers	10.0%	5.9%

Discount Rate

The discount rate used to measure the collective total pension liability was 6.75% for 2018. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that employer and non-employer entity contributions will be made at contractually

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 17 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

required rates, actuarially determined. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

The following table shows how the collective net pension liability/(asset) as of June 30, 2018 would change if the discount rate used was one percentage point lower or one percentage point higher than the current rate. The current rate is 6.75% for the PLD Consolidated Plan.

	1% Decrease	Discount Rate	1% Increase
<u>PLD Plan:</u>			
Discount rate	5.750%	6.750%	7.750%
Town's proportionate share of the net pension liability	\$ 509,535	\$ 216,191	\$ (58,004)

Changes in Net Pension Liability

Each employer's share of the collective net pension liability is equal to the collective net pension liability multiplied by the employer's proportionate share as of June 30, 2018 as shown in the schedules of employer and non-employer contributing entity allocations. Changes in net pension liability are recognized in pension expense for the year ended June 30, 2018 with the following exceptions.

Differences between Expected and Actual Experience

The difference between expected and actual experience with regard to economic or demographic factors were recognized in pension expense using a straight-line amortization method over a closed period equal to the average expected remaining service lives of active and inactive members in each plan. The first year is recognized as pension expense and the remaining years are shown as either deferred outflows of resources or deferred inflows of resources. For 2018, this was three years; prior to 2018, this was four years for the PLD Consolidated Plan.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 17 - DEFINED BENEFIT PENSION PLAN (CONTINUED)

Differences between Projected and Actual Investment Earnings on Pension Plan Investments

Differences between projected and actual investment earnings were recognized in pension expense using a straight-line amortization method over a closed five-year period. The first year is recognized as pension expense and the remaining years are shown as either deferred outflows of resources or deferred inflows of resources.

Changes in Assumptions

Differences due to changes in assumptions about future economic or demographic factors or other inputs were recognized in pension expense using a straight-line amortization method over a closed period equal to the average expected remaining service lives of active and inactive members in each plan. The actuarial assumptions used for the year ended June 30, 2018 valuation were based on the results of an actuarial experience study for the period of June 30, 2012 through June 30, 2015. Please refer to the Actuarial Methods and Assumptions section for information relating to changes of assumptions. The first year is recognized as pension expense and the remaining years are shown as either deferred outflows of resources or deferred inflows of resources.

Changes in Proportion and Differences between Employer Contributions and Proportionate Share of Contributions

Differences resulting from a change in proportionate share of contributions and differences between total employer contributions and the employer's proportionate share of contributions were recognized in pension expense using a straight-line amortization method over a closed period equal to the average expected remaining service lives of active and inactive members in each plan. The first year is recognized as pension expense and the remaining years are shown as either deferred outflows of resources or deferred inflows of resources. Differences between total employer contributions and the employer's proportionate share of contributions may arise when an employer has a contribution requirement for an employer specific liability.

Pension Plan Fiduciary Net Position

Additional financial and actuarial information with respect to the Plan can be found in the MainePERS' 2018 Comprehensive Annual Financial Report available online at www.mainebers.org or by contacting the System at (207) 512-3100.

NOTE 18 - OTHER POST EMPLOYMENT BENEFIT (OPEB) PLAN

MAINE MUNICIPAL EMPLOYEES HEALTH TRUST

Plan Description

The Town and Town retirees contribute to the Town's OPEB Plan with the Maine Municipal Employees Health Trust (MMEHT), a single employer defined benefit plan. Contributions and membership in this Plan are voluntary and may be terminated at any time by the Town and/or the Town retirees. MMEHT is a fully funded, self-insured trust which provides benefits to municipal and quasi-municipal organizations and county governments and acts as the agent to the Town concerning administration of this Plan. Title 24-A Chapter 81 of the Maine Revised Statutes Annotated authorizes the regulation of MMEHT as a Multiple Employer Welfare Arrangement by the State of Maine Bureau of Insurance. Benefits and plans are designed and governed by MMEHT participants and are administered by a number of third-party administrators contracted by MMEHT. No assets are accumulated in a trust that meets the criterion of paragraph 4 of GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. MMEHT issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by MMEHT at (800) 852-8300.

Benefits Provided

This Plan provides medical/prescription drug benefits during retirement to Medicare and non-Medicare retirees and their surviving spouses with varying levels of benefits determined by voluntary plan selection by the retiree as well as applicable Medicare statutes and regulations. The Plan also provides an automatic life insurance benefit of \$2,000 to participants which includes a surviving spouse benefit for the same. The employee must meet the minimum requirement of age 55 with at least 5 years of service at retirement to be eligible for the Plan. The retiree must enroll when first eligible and continue coverage without interruption.

Employees Covered by Benefit Terms

At January 1, 2019, the following employees were covered by the benefit terms:

Active members	21
Retirees and spouses	-
Total	<u>21</u>

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 18 - OTHER POST EMPLOYMENT BENEFIT (OPEB) PLAN (CONTINUED)

Contributions

Retiree and spouse premium amounts are funded by the retiree at the rate for the coverage elected by the retiree. Premium rates are those determined by the MMEHT's Board of Trustees to be actuarially sufficient to pay anticipated claims. Premiums for retiree life insurance coverage are factored into the premiums paid for basic coverage. Retirees and spouses must contribute 100% of the premium amounts. The sponsoring employer pays the remainder of the premium. Medical benefits are provided for the life of the retiree and surviving spouses.

Retiree Premium Amounts:

The following monthly premium amounts were reported on the individual data file. Actual plan election was reflected in expected retiree premium amounts.

<u>Pre-Medicare</u>	<u>Single Coverage</u>	<u>Family Coverage</u>
POS 200	\$956.96	\$2,146.58
PPO 500	\$925.31	\$2,075.59
<u>Medicare</u>		
Medicare-Eligible Retirees	\$527.65	\$1,055.29

Total OPEB Liability, OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At June 30, 2019, the Town reported a liability of \$90,174 for its total OPEB liability for this Plan. The total OPEB liability was measured as of January 1, 2019 and was determined by an actuarial valuation as of that date. The Town's total OPEB liability was based on the Entry Age Normal Actuarial Cost Method which does not reflect future changes in benefits, subsidies, penalties, taxes or administrative costs that may be required as a result of the Patient Protection and Affordable Care Act of 2010 (ACA) related legislation and regulations.

For the year ended June 30, 2019, the Town recognized OPEB expense of \$13,004. At June 30, 2019, the Town reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 18 - OTHER POST EMPLOYMENT BENEFIT (OPEB) PLAN (CONTINUED)

	MMEHT	
	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 4,676	\$ -
Changes of assumptions	4,972	8,918
Contributions subsequent to the measurement date	1,139	-
Total	<u>\$ 10,787</u>	<u>\$ 8,918</u>

\$1,139 were reported as deferred outflows of resources related to OPEB resulting from Town contributions subsequent to the measurement date will be recognized as a reduction of the net OPEB liability in the year ended June 30, 2020. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

	MMEHT
Plan year ended December 31:	
2020	\$ 334
2021	334
2022	334
2023	334
2024	334
Thereafter	(940)

Discount Rate

The discount rate is the assumed interest rate used for converting projected dollar related values to a present value as of the valuation date of January 1, 2019. The discount rate determination is based on the high quality AA/Aa or higher bond yields in effect for 20-year, tax-exempt general obligation municipal bonds using the Bond Buyer 20-Bond GO Index. The rate of 4.10% per annum for December 31, 2019 was based upon a measurement date of December 31, 2018. The sensitivity of net OPEB liability to changes in discount rate are as follows:

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS

Plan fiduciary net position as a percentage of the total OPEB liability	0.00%	0.00%	0.00%

Healthcare Trend

The healthcare trend is the assumed dollar increase in dollar-related values in the future due to the increase in the cost of health care. The healthcare cost trend rate is the rate of change in per capita health claim costs over time as a result of factors such as medical inflation, utilization of healthcare services, plan design and technological developments. The sensitivity of net OPEB liability to changes in healthcare cost trend rates are as follows:

	1% Decrease	Healthcare Trend Rates	1% Increase
Total OPEB liability	\$ 75,980	\$ 90,174	\$ 108,418
Plan fiduciary net position	-	-	-
Net OPEB liability	<u>\$ 75,980</u>	<u>\$ 90,174</u>	<u>\$ 108,418</u>
Plan fiduciary net position as a percentage of the total OPEB liability	0.00%	0.00%	0.00%

Actuarial Methods and Assumptions

The total OPEB liability for the Plan was determined by an actuarial valuation as of January 1, 2018, using the following methods and assumptions applied to all periods included in the measurement:

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 18 - OTHER POST EMPLOYMENT BENEFIT (OPEB) PLAN (CONTINUED)

Actuarial Cost Method

The Entry Age Normal Actuarial Cost Method is used to determine costs. Under this funding method, a normal cost rate is determined as a level percent of pay for each active Plan member and then summed to produce the total normal cost for this Plan. The unfunded actuarial liability is the difference between the actuarial liability and the actuarial value of assets.

For medical and pharmacy, historical claims and census records were assembled and provided through June 30, 2018. Medicare and non-Medicare eligible medical and prescription experience were analyzed. It was assumed that current enrollment distribution of benefit options would remain constant in the future for retirees. The cost was distributed based on the current covered population and the actuary's standard age curves which vary by age, gender and Medicare status. Children costs are converted to a load on the non-Medicare retirees which implicitly assumes that future retirees will have the same child distribution as current retirees.

Amortization

The total OPEB liability of this Plan is amortized on an open 30-year period. The amortization method is a level dollar amortization method.

Assumptions

The actuarial assumptions used in the January 1, 2019 actuarial valuation was based on economic, demographic and claim and expense assumptions that resulted from actuarial studies conducted for the period of December 31, 2018 and December 31, 2019.

Significant actuarial assumptions employed by the actuary for economic purposes are the assumptions that were adopted by Maine State Retirement Consolidated Plan for Participating Local District at June 30, 2017 and based on the experience study covering the period from June 30, 2012 through June 30, 2015. As of January 1, 2019, they are as follows:

Discount Rate - 4.10% per annum.

Trend Assumptions:

Pre-Medicare Medical - Initial trend of 8.20% applied in 2019 grading over 14 years to 4.00% per annum.

Pre-Medicare Drug - Initial trend of 9.60% applied in 2019 grading over 14 years to 4.00% per annum.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 18 - OTHER POST EMPLOYMENT BENEFIT (OPEB) PLAN (CONTINUED)

Medicare Medical - Initial trend of 4.93% applied in 2019 grading over 14 years to 4.00% per annum.

Medicare Drug - Initial trend of 9.60% applied in 2018 grading over 14 years to 4.00% per annum.

Administrative and claims expense - 3% per annum.

Future plan changes - Assumes that the current Plan and cost-sharing structure remain in place for all future years.

Significant actuarial assumptions employed by the actuary for demographic purposes are the assumptions that were adopted by Maine State Retirement Consolidated Plan for Participating Local District at June 30, 2017 and based on the experience study covering the period from June 30, 2012 through June 30, 2015. As of January 1, 2019, they are as follows:

Retirement Rates - Rates vary for plans with no explicit employer subsidy (or payment) versus those plans defining an explicit employer subsidy (or payment). The rates are based on assumptions from the Maine State Retirement Consolidated Plan for Participating Local District at June 30, 2017.

Retirement Contribution Increases - Assumed to increase at the same rate as incurred claims.

Family Enrollment Composition - For males, 50% of future retirees under the age of 65 and 50% of current retirees are married and elect spousal coverage while females are at 30% for both. 25% of male and female future retirees over the age of 65 are married and elect spousal coverage.

Age Difference of Spouses - Husbands are assumed to be 3 years older than wives.

Administrative expenses - Included in the per capita claims cost.

Disability Incidence - Disabled lives will be considered active employees and will not be valued separately.

Salary Increase Rate - 2.75% per year assumed using the level percentage of pay entry age method.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 18 - OTHER POST EMPLOYMENT BENEFIT (OPEB) PLAN (CONTINUED)

Dates of Hire - Needed to be assumed for some employees and will be based on the average age at hire for similar employees.

Rate of Mortality - Based on 104% and 120% of the RP2014 Total Dataset Healthy Annuitant Mortality Table, respectively for males and females, using the RP2014 Total Dataset Employee Mortality Table for ages prior to the start of the Healthy Annuitant Mortality Table, both projected from the 2006 base rates using the RPEC _2015 model, with an ultimate rate of 0.85% for ages 20-85 grading down to an ultimate rate of 0.00% for ages 111-120, and convergence to the ultimate rate in the year 2020. These rates were taken from the assumptions for the Maine State Retirement Consolidated Plan for Participating Local District at June 30, 2016.

Retiree Continuation Percentage:

Medicare participant retirees - 100% assumed to continue in the plan elected.

Pre-Medicare plan retirees and active participants - 75% assumed to continue coverage once Medicare-eligible

Pre-Medicare plan spouses and spouses of active participants - 50% assumed to continue coverage once Medicare-eligible

Changes in Net OPEB Liability

Changes in net OPEB liability are recognized in OPEB expense for the year ended June 30, 2019 with the following exceptions:

Differences between Expected and Actual Experience

The difference between expected and actual experience are recognized in OPEB expense using a straight-line amortization method over a closed period equal to the average expected remaining service lives of active and inactive members in each plan. The first year is recognized as OPEB expense and the remaining years are shown as either deferred outflows of resources or deferred inflows of resources. The difference between expected and actual experience as of January 1, 2019 was \$4,676.

Changes in Assumptions

Differences due to changes in assumptions about future economic, demographic or claim and expense factors or other inputs are recognized in OPEB expense using a straight-line amortization method over a closed period equal to the average expected

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 18 - OTHER POST EMPLOYMENT BENEFIT (OPEB) PLAN (CONTINUED)

remaining service lives of active and inactive members in each plan. The actuarial assumptions used in the June 30, 2018 and June 30, 2017 actuarial valuations were based primarily on those used by Maine State Retirement Consolidated Plan for Participating Local District at June 30, 2017 which were based on the experience study covering the period from June 30, 2012 through June 30, 2015. The first year is recognized as OPEB expense and the remaining years are shown as either deferred outflows of resources or deferred inflows of resources. The amortization period was six years for 2019. For the fiscal year ended June 30, 2019, there were no changes in assumptions with the exception of the claim costs and retiree contributions being updated to reflect current healthcare costs.

Differences between Projected and Actual Earnings on OPEB Plan Investments

Differences between projected and actual investment earnings are recognized in OPEB expense using a straight-line amortization method over a closed five-year period. The first year is recognized as OPEB expense and the remaining years are shown as either deferred outflows of resources or deferred inflows of resources.

OPEB Plan Fiduciary Net Position

Additional financial and actuarial information with respect to this Plan can be found at the Town office at 16 Lovewell Pond Road, Fryeburg, Maine 04037.

NOTE 19 - DEFERRED COMPENSATION PLANS

INTERNATIONAL CITY MANAGEMENT ASSOCIATION RETIREMENT
CORPORATION

A. Plan Description

The Town contributes to a deferred compensation plan created in accordance with Internal Revenue Service Code Section 457 through the International City Management Association Retirement Corporation (ICMA-RC). The plan, available to all Town employees permits them to defer a portion of their salary, in addition to Town contributions, until future years. Employee's participation in this plan is voluntary. The deferred compensation is not available to employees until termination, retirement, death or unforeseen emergency. All amounts of compensation deferred under the plan, all property and rights purchased with those amounts and all income attributable to those amounts, property or rights are (until paid or made available to the employee or other beneficiary) to be held in a trust for the exclusive benefit of the participants and their beneficiaries.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 19 - DEFERRED COMPENSATION PLANS (CONTINUED)

It is the opinion of the Town's management that the Town has no liability for losses under the plan but does have the duty of due care that would be required of an ordinary prudent investor.

B. Funding Policy

The contribution requirements of plan members and the Town are established and may be amended by the Board of Selectmen. Effective October 9, 2008, the Town agreed to add the coverage of the ICMA-RC 457 plan. This plan will be available for current employees who are not enrolled in the Maine State Retirement System and any newly-hired employee who wishes to enroll in the ICMA plan instead of the MSRS plan. The Town will match the employee's contribution into the 457 plan, up to a maximum Town contribution of 4%. The Town will make a contribution to any of the offered plans up to a maximum of 4% in total.

The Town's contributions to the plan for 2019, 2018 and 2017 were \$10,227, \$13,097 and \$10,534, respectively.

VARIABLE ANNUITY LIFE INSURANCE COMPANY

A. Plan Description

The Town offers its employees a deferred compensation plan created in accordance with Internal Revenue Service Code Section 457 through the Variable Annuity Life Insurance Company. The plan, available to all full-time employees, permits them to defer a portion of their salary, in addition to Town contributions, until future years. Benefits begin vesting at the beginning of service. The deferred compensation is not available to employees until termination, retirement, death or unforeseen emergency. The plan has provisions for employees to borrow or take plan assets.

All amounts of compensation deferred under the plan, all property and rights purchased with those amounts and all income attributable to those amounts, property or rights are (until paid or made available to the employee or other beneficiary) to be held in a trust for the exclusive benefit of the participants and their beneficiaries.

It is the opinion of the Town's management that the Town has no liability for losses under the plan but does have the duty of due care that would be required of an ordinary prudent investor.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 19 - DEFERRED COMPENSATION PLANS (CONTINUED)

B. Funding Policy

The contribution requirements of plan members and the Town are established and may be amended by the Board of Selectmen. Effective November 2, 2005, the Town agreed to add the coverage of the VALIC 457 plan. This plan will be available for current employees who are not enrolled in the Maine State Retirement System or ICMA and any newly-hired employee who wishes to enroll in the VALIC plan instead of the MSRS or ICMA plans. The Town will match the employee's contribution into the 457 plan, up to a maximum Town contribution of 4%. The Town will make a contribution to any of the offered plans up to a combined total of 4%.

The Town's contributions to the plan for 2019, 2018 and 2017 were \$3,255, \$3,719 and \$3,612, respectively.

NOTE 20 - LETTER OF CREDIT

At June 30, 2019, the Town has an outstanding irrevocable standby letter of credit issued by the Federal Home Loan Bank of Pittsburgh serving as collateral for its deposits held at TD Bank, N.A. This letter of credit, which expires at the close of business on September 9, 2019, authorizes one draw only up to the amount of \$3,700,000. There were no draws for the year ended June 30, 2019.

NOTE 21 - JOINT VENTURE

The Town has entered into a joint venture with a number of other Towns. This joint venture is considered to be a separate reporting entity and has not been included within the financial statements of the Town of Fryeburg, Maine. A brief description of the joint venture, Eastern Slope Airport Authority, follows:

Eastern Slope Airport Authority

Eastern Slope Airport Authority (the Authority) was formed to act as a board of trade and a local citizen's group to foster, encourage and assist the location, settlement or resettlement of industry, manufacturing and other business enterprises in the locality surrounding the site of the public airport in Fryeburg, Maine and the entire area serviced by the airport, including surrounding areas in Maine and New Hampshire.

The Authority, known as the Eastern Slope Regional Airport (ESRA), provides fuel and services to local and transient pilots through modern and upgraded airport facilities. This facility strives to be energy efficient and a point of pride to the community and region, supporting economic development and related employment.

TOWN OF FRYEBURG, MAINE

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 21 - JOINT VENTURE (CONTINUED)

The Authority derives the bulk of its revenue from sales and services, but also receives some grant revenues from the State of Maine and FAA as well as member Town contributions. At December 31, 2019, the most recent financial statements available, the Town of Fryeburg, Maine contributed \$15,000 to the Authority. Complete financial statements may be obtained from Eastern Slope Airport Authority at 210 Lyman Drive, P.O. Box 334, Fryeburg, Maine 04037-0334.

NOTE 22 - COMPARATIVE DATA/RECLASSIFICATIONS

Comparative total data for the prior year have been presented in selected sections of the accompanying financial statements in order to provide an understanding of the changes in the Town's financial position and operations. Also, certain amounts presented in the prior year's data have been reclassified to be consistent with the current year's presentation.

Permanent Funds

Permanent funds are used to account for assets held by the Town of Fryeburg, Maine that are legally restricted pursuant to Title 30-A, §5653 of the Maine State Statutes, as amended and unless otherwise specified, only earnings and not principal, may be used for purposes that benefit the Town or its citizenry. These funds have been established for various purposes including the provision and/or maintenance of the cemeteries.

FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Selectmen
Town of Fryeburg
Fryeburg, Maine

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Fryeburg, Maine as of and for the year ended June 30, 2019 and the related notes to the financial statements, which collectively comprise the Town of Fryeburg, Maine's basic financial statements and have issued our report thereon dated February 7, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Town of Fryeburg, Maine's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Fryeburg, Maine's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Fryeburg, Maine's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Tel: (800) 300-7708 (207) 929-4606 Fax: (207) 929-4609
www.rhrsmith.com

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town of Fryeburg, Maine's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

OPEN-ENDED AND CAPPED MONEY ARTICLES

In January 2005, Governor Baldacci signed into law LD 1. The goal of LD 1 was to lower Maine's state and local tax burden. The Municipal Property Tax Levy Limit was the result of LD 1. The Tax Levy Limit regulates the amount of money that municipalities can raise through property taxes. A municipality can go over its Property Tax Levy Limit by a majority vote of the legislative body, but only by a written ballot vote on a separate article. If the legislative body votes not to "exceed" or "increase" the limit, the amount raised over the limit cannot be spent. With the introduction of this new law in 2005, many municipalities changed from "open-ended" to "capped" articles to avoid exceeding their tax levy limit.

OPEN-ENDED VS. "CAPPED" MONEY ARTICLES PRESENTED BY MAINE MUNICIPAL ASSOCIATION

In designing the warrant for an open town meeting, the municipal officers will want to be aware that the amount voted, in most cases, cannot exceed the amount stated in an article, but that if no amount is stated then any amount can be inserted by amendment from the open town meeting floor.

Thus an article seeking an appropriation can be drafted and printed in open-ended form ("To see what sum the Town will vote to raise and appropriate") or with a cap or limit ("To see if the Town will vote to raise and appropriate the sum of \$10,000"). The first of these article forms can be amended from the floor to state any amount under the sun, while in the second the amount can be reduced by amendment but cannot be increased above the stated figure.

The town meeting warrant being the municipal officers' document, it is not clear that the voters can direct them in how they shall frame their articles. The municipal officers' power of choice may well be exclusive. Thus the municipal officers can consciously limit the flexibility of the voters in town meetings. The "capped" format gives some assurance to voters who read the warrant but do not attend the meeting. Assume, for example, that a voter reads a posted warrant for a special town meeting at which a single appropriation from surplus revenues is called for to support some relatively non-controversial purpose, and then the voter decides that he or she has no objection to an expenditure of up to the stated for the stated purpose and so will skip the meeting in reliance on the warrant. The "cap" assures this voter that if he or she goes fishing a majority of those present can in no event determine to spend more than the stated amount. The "capped" format is probably also occasionally used to limit the potential for having an intimidating or dominating "single-issue" faction who are determined to have their way spend exorbitantly.

The use of the "capped" format, although not believed to be a legal issue, may occasionally be a political one.

Warrant Explanation and Budgets for Fiscal Year 2020-2021		
ARTICLE 1.	Elect a Moderator for July 14th and 16th.

Total Unclassified Service Organizations	\$ 10,447
ARTICLE 32 - UNCLASSIFIED EVENTS	
Flags and grave markers for Veteran's graves	\$ 850
Memorial Day Parade	\$ 500
Total Unclassified Events	\$ 1,350
<p>ARTICLE 33 - The airport is seeking to partner with Dirigo Solar LLC to develop an approximate 30 acre solar energy facility, pending approvals by FAA, Maine DEP, and planning board. The 40 year lease term is necessary for project financing. The money received from the solar lease can only be used for airport operations.</p>	
<p>ARTICLE 34 - The Eastern Slope Airport Authority will have a 99-year lease of the airport property with approval of this article. This will be an extension from the current reoccurring 7 year lease period. The ESAA will be able to enter into subleases for aeronautical related purposes under their own volition. Additional hangar construction is an example of an aeronautical purpose. Subleases for non-aeronautical purposes would require approval from the Select Board if the total project cost is less than \$2.5 million and Town meeting approval would be required for projects exceeding \$2.5 million.</p>	

ARTICLE 35 - Approval of this article would allow the Recreation Department revenue, primarily from registrations fees, to be put into a reserve account (rather than the general fund) and used directly to fund Recreation programs.

ARTICLE 36 - Copies of the ordinance is available on the Towns website or can be obtained at the town office (when open) or by contacting the Town Office. The purpose of the ordinance is to provide property tax assistance to qualifying persons in the Town of Fryeburg. Under this program the Town will provide supplemental cash refund payments to those who meet the criteria established by the ordinance and who are beneficiaries of the State of Maine Property Tax Fairness Credit Program.

ARTICLE 37 - In accordance with the Fund Balance Policy, any fund balance in excess of 15% will be put in a Credit Reserve Account for unexpected occurrences. A majority vote of the Select Board is needed to authorize expenditures up to a maximum of \$5,000 for each occurrence and an overall maximum of \$25,000 is allowed per fiscal year. A vote by the legislative body is needed to expend above the \$25,000.

ARTICLE 38 - Approval of the article is required to appropriate 100% of the money received from the State for snowmobile registration fees to the Interstate Sno-Goers Club.

ARTICLE 39 - We pay the Town of Conway \$5,000 from franchise fees received from Charter Communications per year to provide us with broadcasting and viewing time on Channel 3.

ARTICLE 40 - Approval of this article is required by law to accept prepayment of taxes. 36 M.R.S.A. §506.

ARTICLE 41 - Establishes due dates to collect taxes twice a year. Collecting taxes in April and October allows 6 months between due dates. This provides a good balance in maintaining cash flow without the need to borrow, while ensuring town services, schools and the county is funded as committed. The 9% interest rate applies only to the 2021 taxes. This rate is set by the State Treasurer and the interest is collected as revenue and used to reduce the mill rate.

ARTICLE 42 - No interest will be paid on abated taxes or on overpayment of taxes for the 2021 year pursuant to 36 M.R.S.A. §506 (A).

ARTICLE 43 - Allows the Tax Collector to waive unintentional tax interest payment shortages in an amount not to exceed \$5.00.

ARTICLE 44 - Allows the Select Board to accept gifts of money, donations, real or personal property, pass thru funds, grants and apply for grants that don't require legislative body approval.

ARTICLE 45 - Allows the Select Board to advertise and sell property that has automatically foreclosed due to non-payment of taxes.

ARTICLE 46 - Allows the Select Board to sell items no longer useful or needed. Normal items would include vehicles and equipment.

ARTICLE 47- Allows using all non-dedicated revenues to reduce the property tax commitment.

ARTICLE 48 - Authorizes appropriations from undesignated surplus to cover overdrafts as of June 30, 2020. Approval of this article will prevent having a special town meeting before June 30, 2020.

ARTICLE 49 - Authorizes the Select Board to enter into a lease of an existing tower on Starks Mountain for the installation of communication equipment. This equipment will improve the ability to communicate by radio for the Fire Department, Police Department, Public Works and first responders.

ARTICLE 50 - Approving this article is required in the event the tax commitment is greater than the property tax levy limit. Voting on this article by secret ballot is required by State law.

TOWN OF FRYEBURG
SECRET BALLOT ELECTION
AND
TOWN MEETING WARRANT

Tuesday, July 14, 2020
and
Thursday, July 16, 2020

Secret Ballot Election July 14, 2020 from 8:00 a.m. to 8:00 p.m.
David & Doris Hastings Community Center, 59 Recreation Drive

Town Meeting July 16, 2020
6:00 p.m.
David & Doris Hastings Community Center, 59 Recreation Drive

To Joshua Potvin, a Constable of the Town of Fryeburg, in the County of Oxford, State of Maine:

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Fryeburg in said county and state, qualified by law to vote in town affairs, to meet at the David & Doris Hastings Community Center, 59 Recreation Drive, in said Town on Tuesday, the 14th day of July, A.D. 2020 at eight o'clock in the forenoon, then and there to act upon **Article 1 and by secret ballot on Article 2 as set out below**; the polling hours therefore to be from 8:00 a.m. until 8:00 p.m.

And, to notify and warn said inhabitants to meet at the David & Doris Hastings Community Center, 59 Recreation Drive, in said Town on Thursday the 16th day of July, 2020 at 6 p.m., then and there to act on **Article 3 through 50** as set out below, to wit:

Article 1. To elect a moderator to preside at said meeting to vote by written ballot.

Article 2. To elect all municipal officers and school committee members as are required to be elected.

Article 3. To see if the Town will vote to raise and appropriate the sum of \$523,406 for the Administration Account.

Article 33. To see if the Town will vote to authorize the Select Board to enter into a lease of approximately thirty (30) acres of land at the airport for the purpose of the development, construction and operation of a solar energy facility, for an initial term of forty (40) years with such extensions, and upon such further terms as the Select Board, in their discretion, deem appropriate.

Article 34. To see if the Town will vote to authorize the Select Board to enter into a ninety-nine (99) year lease of the airport property to Eastern Slope Airport Authority ("ESAA"), to include (i) the unlimited right of ESAA to enter into subleases limited to aeronautical purposes without requiring the consent of the Town; and (ii) to include the right of ESAA to enter into subleases to include non-aeronautical purposes ("non-aeronautical subleases") only with the consent of the Town, such consent to non-aeronautical subleases with respect to projects with a proposed project cost of \$2,500,000.00 or less to be given by the Select Board, and such consent to non-aeronautical subleases with respect to projects with a proposed project cost in excess of \$2,500,000.00 to be given by the Town Meeting.

Article 35. To see if the Town will vote to authorize the use and expenditure, in current and future years, for Fryeburg Recreation Department operations of all funds now held or later acquired by the Recreation Department for its services, by donation, grant, or program revenue, with any excess funds annually to be deposited into a reserve account to be and expended for use the said Recreation Department as authorized by the Select Board.

- Article 36.** Shall the Town vote to enact an ordinance entitled “Town of Fryeburg Senior Property Tax Assistance Ordinance”?

An attested copy of the full text of this ordinance is on file at the Town Office.

Explanation: The purpose of the ordinance is to provide property tax assistance to qualifying persons in the Town of Fryeburg. Under this program the Town will provide supplemental cash refund payments to those who meet the criteria established by the ordinance and who are beneficiaries of the State of Maine Property Tax Fairness Credit Program.

- Article 37.** To see if the Town will vote to authorize the Select Board to carry forward any fund balance in excess of 15%, in accordance with the Fund Balance Policy, to a Credit Reserve Account, and to authorize the Select Board to transfer up to \$5,000 for any single occurrence, with a maximum not to exceed \$25,000 in a fiscal year, to be used for unexpected occurrences that shall require the majority vote of the Select Board.

- Article 38.** To see if the Town will vote to appropriate 100% of the money received from the State for snowmobile registration fees to the Interstate Sno-Goers Club for the maintenance of snowmobile trails, on the condition that those trails be open in snow season to the public for outdoor recreation at no charge and to authorize the Select Board to enter into an agreement with the Club, under such terms and conditions as they deem advisable, for that purpose.

- Article 39.** To see if the Town will vote to appropriate \$5,000 from the cable franchise fee received from Charter Communications to The Town of Conway for the continued coverage of Fryeburg municipal meetings and other Fryeburg events; and to authorize the municipal officers to enter into an agreement with The Town of Conway, under such terms and conditions as the municipal officers deem advisable, for that purpose.

- Article 40.** To see if the Town will vote to authorize the Tax Collector to accept prepayment of taxes not yet committed, and pay no interest on those prepayments, pursuant to 36 M.R.S.A. §506.

- Article 41.** To see if the Town will vote to authorize the Tax Collector to collect taxes twice a year and to establish October 15, 2020 and April 15, 2021 as the due dates. Interest will be charged on each of the unpaid balances at 9% annually after October 15, 2020 and April 15, 2021, respectively.

- Article 42.** To see if the Town will vote to pay no interest on abated taxes or on overpayment of taxes for the tax year 2021 pursuant to 36 M.R.S.A. §506 (A).
- Article 43.** To see if the Town will permit the Tax Collector to waive unintentional tax interest payment shortages in an amount not to exceed \$5.00.
- Article 44.** To see if the Town will vote to authorize the Select Board to accept gifts of money, donations, real or personal property or pass thru funds; and to apply for and receive any and all grant funds which the Select Board determine to be in the best interest of the Town.
- Article 45.** To see if the Town will vote to authorize the Select Board, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon; on such terms as they deem advisable, and to give public notice of sale and solicit sealed bids in a local newspaper, and execute a quitclaim deed without covenants; but before sale, if the former owner or owners of the property, or his or her successor in interest, pays all the outstanding indebtedness due, then the municipal officers may execute a quitclaim deed without covenants to sell and convey the property to him or her.
- Article 46.** To see if the Town will vote to authorize the Select Board to dispose of Town owned personal property with a value of \$25,000 or less, under such terms and conditions as they deem advisable.
- Article 47.** To see if the Town will vote to appropriate all undesignated revenues, to include, but not limited to: Excise Tax, Tree Growth Reimbursement, Veteran Exempt Reimbursement, Boat Excise Tax, Building Permit Fees, State Road Assistance, Town Agent Fees, Town Clerk Fees, Plumbing & Building Permit Fees, Revenue Sharing, and Miscellaneous Revenues to be used to reduce the property tax commitment.
- Article 48.** To see if the Town will appropriate from surplus the overdrafts to Town accounts as of June 30, 2020.
- Article 49.** To see if the Town will authorize the Select Board to enter into a lease of the existing tower on Starks Mountain for the installation of communication equipment for use by the Fire Department and any future use by the Town.
- Article 50.** To see if the Town will vote to increase the property tax levy established for the Town of Fryeburg by Maine State Law LD1 in the event that the municipal budget approved under the preceding articles will result in a tax commitment that is greater than the property tax levy limit. By State Law, the vote on this article must be by written ballot.

Note: It is not projected that the Town's budget will exceed tax levy limits established by State law, but as a preventative housekeeping action it is recommended the Town vote to approve.

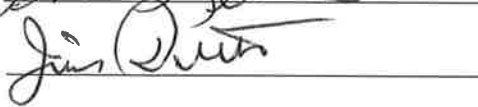

Dated this **14th** day of **May, 2020** in the Town of Fryeburg, County of Oxford and State of Maine.

**MUNICIPAL OFFICERS
TOWN OF FRYEBURG**

General Assistance Information

The municipality of Fryeburg administers a General Assistance Program to help people in emergencies. You may be eligible even if you work or receive other benefits such as food stamps, Veterans' benefits, or Social Security income. To request General Assistance, please contact the General Assistance Administrator at 935-2805 during the Town Office hours. Your application must be accepted for review and you may be denied for help if you do not meet the guidelines for the program. The application is private and confidential. In an emergency, applicants may contact the Fryeburg Police Department 935-3323.

A Resource Directory of Community Services is available at the Town Office. Below are some helpful numbers:
