

Fryeburg Rec's summer camp is a day camp for kids aged 6 - 13 located at the David and Doris Community Center with a couple off-site field trips during the week. We offer supervised and organized activities that range from sports, arts and crafts, swimming and other indoor and outdoor activities. Counselors will be going from indoor and outdoor atmospheres, and need to be willing to be out in the heat for periods of time. We also will be in water settings, where counselors are expected to be in the water at all times when kids are in the river, ocean and/or pools.

Qualities/ skills of a camp counselor:

- Creative thinkers
- Leadership
- Patience
- Problem-solving skills
- Communication
- Alertness
- Ability to work with peers
- Outgoing and caring towards others
