### INSTRUCTIONS FOR NEW PATRONS

1. Please present library card or verify patron information to check out library materials.
2. All items are loaned for three weeks at a time. Most items can be renewed twice, if there are no holds at the time of renewal. You can call, email, or stop by to renew. The exceptions to two renewals are: "New" Books & "New" Audio Books that can only be renewed one time, if there are no holds at the time of renewal.
3. Any items renewed or returned past the due date will accrue the following charges per item/per day/on a five days a week schedule: .25 with a \$5.00 overdue fee cap on each item.
4. Library borrowing privileges for any patron(s) can be REVOKED for any reason at the discretion of the Library Director.
5. The "BOOK RETURN" in the front door is always available to return books or materials if we are not open.
6. Parents are ultimately responsible for books borrowed by children through the age of 18, even though the child may have his/her own card. (Exception: For young adults living at home and attending college, parents are responsible until the library is notified otherwise.)
7. FOR NON-RESIDENT PATRONS ONLY: Your annual \$25.00 non-resident fee will be due every year on January 2<sup>nd</sup> and goes through December 31<sup>st</sup> of the same year. After the January 2<sup>nd</sup> date each year, and being reminded one time by library employees, all borrowing privileges are temporarily on hold until the annual fee is paid. From September through December, new non-residents fees collected during this time will carry over until the following year.

NOTE: We loan all materials to the public in "good faith" and patrons are responsible for all costs and fines for any overdue, lost, or damaged items. If a patron gives the library permission for a non-patron to borrow on his/her account, the patron is responsible for all costs and fines for overdue, lost, or damaged items.
